RESIDENTIAL WASTE COLLECTION CALENDAR

Tips for setting out your residential waste carts:

Time it: Set each cart out before 7 a.m. on collection day and bring back onto private property within 24 hours of collection.

Park it: Set the cart(s) at the curb/lane with the arrows pointing to the driving lane.

Space it: Remember that if you can comfortably walk around each cart, then you have left enough room for the collection truck to empty the cart(s).

Level it: Carts must be placed on a level surface no more than 150 mm (5 inch) above the road elevation.
