### Troll Takes Back Bridge

The troll that the Three Billy Goats Gruff chased off has regained control of the bridge. Not one to be taken down, the troll returned last night after being away for six months. This time, he brought help—his family.

The trolls challenged the Gruffs to a duel in the meadow next to the bridge. When the brothers

saw that they'd be fighting 20 trolls instead of one, they ran.

“You should have seen them!” said the youngest Gruff. “They were ugly and huge! I thought they were going to eat us for breakfast!”

The eldest Gruff hung his head when asked about the challenge. “We may be gruff,” he said, “but even gruff has its limits.”

Be careful when crossing the bridge...or find another route!
