PREAMBLE

The following Agreement between the District and CSEA is recorded in written form to meet the requirements of Government Code 3540, et seq, and, more specifically, wages, hours of employment, and other terms and conditions of employment as defined therein in exchange for services.

ARTICLE 1

AGREEMENT AND RECOGNITION

This agreement is between the Rancho Santiago Community College District (hereinafter referred to as "District") and the California School Employees' Association and its Chapter Number 579 (hereinafter referred to as "CSEA"). Reference to "the parties" shall include both the District and CSEA.

The District hereby recognizes CSEA as the sole and exclusive representative of all classified unit employees enumerated in Exhibit D, attached hereto and incorporated herein by reference as part of the agreement.

When new classifications are created, both parties shall endeavor to reach an agreement to determine if they are to be included in the bargaining unit. CSEA and the chapter president shall be given thirty (30) days written notification of the recommendation of the creation of a new classification before Board approval. If the District does not receive a response within that thirty (30) day period, CSEA waives any right to object to the designation proposed by the District. Disputed cases shall be submitted to the Public Employees Relations Board (hereinafter referred to as PERB) in accordance with that agency's rules and negotiations.

For the purposes of interpreting this contract when referring to classified employees, RSCCD and CSEA have agreed to define those classified employees as listed below:

Receives pro rata benefits as described in the CSEA Contract, with the exception of Health and Welfare, based upon hours worked each month.

The following are outside of the contract but referred to as defined by Ed. Code:

Substitute and short-term employees employed and paid for less than 75% of a school year, apprentices, and professional experts employed on a temporary basis for a specific project, regardless of length of employment; full-time students employed part-time; all as defined in Education Code section 88003.

- 10.6.10 Where a unit employee is separated prior to rendering a complete fiscal year of service, the sick leave entitlement for the partial year shall be that proportion of twelve (12) days' leave as the number of months in the fiscal year he/she was employed bears to twelve (12).

 - 2. Within five (5) days of receipt of the list, a representative of the District and a representative of CSEA shall alternately strike names from the list until only one name remains.

3. Upon receiving the request to move to arbitration, the Human Resources Office shall contact the selected arbitrator to schedule a hearing at the earliest convenience of the arbitrator. The parties agree to schedule the arbitration hearing within three (3) months of the request for arbitration.

For the purpose of this section, to schedule arbitration means that the parties will contact the mutually selected arbitrator and request confirmation of a scheduled date for the arbitrator. Through mutual agreement, the hearing may be extended beyond the three (3) month period of time.

4. Arbitrator expenses, including any per diem fees, actual and necessary travel and subsistence expense, and other fees and expenses shall be shared equally by the parties. Unit employees shall not suffer loss of compensation for time spent during regular duty hours as a grievant, representative, or witness at a hearing held pursuant to this Procedure; however, no more than four (4) employees may participate in any one (1) grievance during working hours, whether grievant, representatives, or witnesses, unless otherwise approved in advance by the District.

5. The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted. If either party so requests, the arbitrators shall specifically rule upon the arbitrability of issues. If the parties cannot agree upon a statement of the issue to be arbitrated, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
6. The District and CSEA agree that the jurisdiction and authority of the arbitrator may only render a decision on the interpretation of the express provision or provisions of this Agreement at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Agreement. The arbitrator shall be without power or authority to make any decision that requires the District or the administration to do an act prohibited by law.
7. After a hearing and after both parties have had an opportunity to make written or oral arguments, the arbitrator shall submit in writing, to all parties, his or her findings and award. The award of the arbitrator shall be binding on the Board of Trustees.

2. The Board may meet with the grievant and representatives to discuss other alternative solutions, if the arbitrator's decision would result in a proven financial hardship for the District. 14.3.3 It is understood that when a new shift is created for a classification and the intent is to fill the position with existing staff the most senior employees shall be given their preferences. Seniority shall be based upon District seniority within the classification.

14.3.4 If an opening on a particular shift should occur, and the intent is to use existing staff, the employee with the greatest seniority shall be given first choice to move to the vacant shift. The district shall assign the least senior person in the classification, should there be no volunteers.

14.4 Swing/Graveyard

14.5 Hours Worked

For purposes of computing the hours worked, time during which the unit employee is excused from work because of holidays, sick leave, vacation, or other paid leave of absence shall be considered as time worked by the unit employee.

14.6.1 Unit employees shall be compensated at the rate of one and one-half (1½) times the regular rate of pay for overtime.

14.6.2 Overtime includes:

14.6.6 Scheduled overtime shall be offered on a rotation basis to all employees within their respective departments who are qualified to perform the respective assignments. Scheduled overtime shall be identified as overtime in which the district had knowledge of the required work prior to the need. If an unforeseen event occurs resulting in less than the equivalent to one shift's notice to the District (i.e. sick call less than 1 shift in advance of scheduled hours) occurs, the District shall not be

bound by the rotation requirements. A list of all full-time employees within each department shall be created and used for offering overtime on a rotation basis. This list shall remain constant with new employees being added to the bottom of the list in the order hired. No employee shall be removed from the list until the Board of Trustees has approved a permanent status change of title or site. Employees who are on leave when overtime is offered shall be deemed as not available and the next person on the list shall be offered the overtime. Employees engaged in an on-going task requiring overtime may be assigned the overtime in lieu of the rotational list. It is understood that on-site employees shall be offered the overtime prior to going to off-site employees.

The overtime schedule of hours worked shall be posted and made available to all employees. Upon request, the supervisor shall provide the unit member with a written statement of reasons for non-selection of any overtime assignment.

14.7 Compensatory Time

Unit employees at the time of overtime assignment shall be granted upon request compensatory time off in lieu of cash payment, for overtime subject to the annual maximum prescribed in the federal Fair Labor Standards Act. Compensatory time off shall be earned at the rate of one and one-half (1½) hours for each hour of overtime worked. All overtime must receive prior approval from the immediate supervisor.

Approved and earned compensatory time may be used to extend vacation and/or sick leave. Such compensatory time off shall be requested by the employee and taken within twelve (12) calendar months following the month in which the overtime was worked. Management shall make every effort to accommodate the date(s) requested by the employee provided the request does not impair services rendered by the District. An employee may not accrue more than two hundred forty (240) hours of compensatory time; all overtime worked once the employee has accrued two hundred forty (240) hours shall be paid overtime. In the event the District prevents the employee from taking the compensatory time off in the time frame stated above, the District shall pay the employee for such time it prevented the employee from taking.

14.8 Lunch Periods

Unit employees employed five (5) or more hours per day are entitled an unpaid lunch period of a minimum of one-half ($\frac{1}{2}$) hour and a maximum of one (1) hour at the approximate midpoint of their workday in accordance with their regular assignment and classification.

Unless hindered by events beyond the District's control and in accordance with the published Orange County Department of Education Time Schedule for School Payrolls:

14.10.1 All salaried employees shall be paid on the 10th and 25th of the month, unless that day falls on a holiday or weekend. If this should occur, the employee shall be paid on the last working day before the 10th or 25th.

The District shall consult with CSEA if it is determined that a position no longer requires bilingual ability.

These provisions do not prevent employees from using bilingual abilities on an incidental basis. It is understood that because an employee is bilingual does not mean that they will receive a stipend, but rather, management will determine the appropriate stipend based on the needs of the District.

14.15 Appointment and Step Advancement

Effective 7/1/90, new unit employees will be appointed to the first (1st) step of the level to which appointment is made. 23.1.1 A Unit Member shall not be laid off if a short-term employee is retained to render a service where the Unit Member meets the qualification.

23.2 Seniority Procedures

23.2.1 Seniority in the classification being cut is the basis upon which a classified employee shall be laid off. In effecting layoffs, the following rules shall apply:

23.2.1.1 Seniority shall be based upon the amount of paid service in the classification in which the employee has served and shall include actual service and all paid leaves such as vacation, holidays, sick leave, etc. Time compensated on an overtime basis shall not be credited.

- a. Seniority shall include all regular time in a class plus time accrued in higher classes as defined by personnel procedures. In the event of a tie of accumulated time, first preference will be given to the employee with the longest total District service as a classified employee. If a tie still exists, the employees will draw lots to determine preference.
- b. Time spent on leave without pay excluding voluntary furlough, shall not be included when computing seniority, but time spent on approved leaves with pay and on military leaves (reserves) shall count toward seniority accrual.
- c. Time spent in the class between breaks of employment because of separation (such as substitute or temporary employment) shall not count toward seniority accrual.

23.2.1.2 When reclassification results either in the merger of two or more classes or the separation of a class into two or more classes, seniority rights of unit employees who are reclassified with their positions shall be computed from the date of their earliest entrance into regular service in such former classes.

23.2.1.3 An employee transferred from one class to another, or reclassified to a higher class, shall retain his/her seniority in the former class; seniority in the new class shall begin accumulating on the date of transfer. Employees who are reclassified to a different classification, but with the same salary grade, shall have his/her seniority in the new class credited to the former classification.

23.2.2 Seniority List: Employees shall be ranked by seniority in a specified class, plus all higher classes, from which displacements are expected. This list will be used for determining:

Layoff from the classified service in the proper sequence.

The exercise of displacement rights to retain employment.

23.2.3 Displacement Rights: Permanent unit employees who are to be laid off, may exercise bumping rights in their class or in any lower class in which they have served and hold seniority credit greater than an incumbent. They may also exercise bumping rights in their class or in any lower class for which they possess bilingual skills identified as needed for the position, (as described in Section 14.14) and hold seniority greater than an incumbent. The employee bumped shall be the one with the least seniority in the class plus related higher classes. In determining bumping rights, the following rules shall apply:

23.2.3.1 In cases of reclassification, reorganization, or abolishment of positions, an incumbent's seniority in the class plus higher related classes shall be computed as outlined in Section A.1. above.

23.2.3.2 Displacement shall be in descending order of assigned time within the classification. Assigned time is defined as actual hours compensated within a classification the total assigned hours per week multiplied by the assigned weeks per year. For purposes of this calculation, 12-month positions shall be counted as 52 weeks, 11-month positions shall be counted as 48 weeks, 10-month positions shall be counted as 43 weeks, and school session positions shall be counted as 36 weeks. Flexible hour positions shall only be able to displace other flexible hour positions.

23.2.3.3 Employees exercising displacement rights shall bump the least senior employee(s) in accordance with SENIORITY PROCEDURES. A seniority list will be provided to CSEA Chapter President (or designee by Human Resources).

23.2.3.4 An employee accepting a position in a lower classification in lieu of layoff, shall be placed on a step in the service of the previous classification which is nearest to, but not higher than the monthly salary he/she would have earned in the former classification.

23.2.3.4.1 In any case, the employee salary placement shall not exceed the salary he/she would have earned in the former classification.

23.2.3.4.2 In any case, the salary shall not exceed the maximum step of the current classification.

23.2.3.4.3 The employee will retain his/her anniversary date for subsequent salary advancement.

23.2.3.4.4 Salary increments based upon longevity shall continue to be paid in the new classification.

23.2.3.5 For the purposes of this Article only, Instructional Assistants may be laid off in reverse order of seniority (least senior first), by discipline.

23.3 Notification of Employees

23.3.1 Employees affected by layoff shall be given written notice by certified mail sixty (60) days prior to the effective date of layoff and shall be informed of their displacement rights (bumping), if any, and re-employment rights. A copy of all notices shall be provided to the Chapter President. Any notice of layoff shall specify the following:

23.4.1.2 Removal of Name from Re-employment List

- a. An employee's name may be removed from the re-employment list for the class from which they have been laid off if they fail to respond to a written notice of employment within twenty (20) calendar days of notification.

- b. The District may take an action to remove an employee's name from the re-employment list permanently for the conviction of a crime which would be sufficient to support dismissal of a permanent employee.

23.4.1.3 Classified job announcements will be sent to employees on the 39-month re-hire list.

23.4.1.4 Laid off employees do not accumulate seniority credit while on re-employment lists.

23.4.2 Displacement Rights: A permanent employee may exercise bumping rights pursuant to guidelines set forth in 23.2.3 of these guidelines.

23.4.3 Rights in Lieu of Layoff:

23.4.3.1 A permanent unit employee who may be laid off despite the exercise of bumping rights in his/her class, in order to avoid layoff, may request and accept a voluntary demotion to a lower class, or voluntary reduction in assigned hours and/or fewer days/months per year than which they had previously served.

23.4.3.2 An employee who has accepted demotion in lieu of layoff has the right to be employed, in accordance with his/her seniority, in a vacant position in his/her former class within 39 months after demotion provided the employee meets the current qualifications for the position.

If at this time the employee does not meet the stated qualifications for that class, the District and CSEA agree to negotiate a reasonable time period in which the employee may prepare for and achieve the stated qualifications, if feasible.

If at the end of this period the employee has failed to achieve the required qualifications the position shall be offered to the next most senior person on the 39 month re-hire list.

- a. Intervening reassignments to other classes should not abrogate that right.
- b. If he/she has not been re-employed in his/her former class at the end of 39 months, he/she shall be eligible for appointment to a vacant position in that class for an additional period of up to 24 months.
- c. All rights acquired by an employee at the time of layoff shall be restored at the time of re-employment.

- 23.4.4 Benefit Rights: If a person is re-employed by the District within 39 months after the date of previous termination, his/her accumulated sick leave allowance, service credit for vacation allowance, and service credit for longevity pay shall be reinstated.
- 23.4.5 Substitute Employment: Employees laid off shall be placed on the substitute list for call-in for substitute employment in any class within the District in which they have served and/or have displayed that they meet the minimum qualifications. Such employees shall be afforded such work on a rotational basis in accordance with seniority.
- 23.4.6 Effects of Layoff on Remaining Employees: Employees remaining in employment shall not be required to work additional hours or required to perform overtime as a result of layoffs, or be required to take work home as a result of layoffs.
- 23.4.7 Employees who have exhausted (or waived displacement rights) may request to be interviewed for vacancies for lateral or lower classifications for which they meet minimum qualifications. These employees shall be interviewed prior to other unit employees or outside applicants, provided the employee requests an interview prior to the closing date of the posting.
- 23.4.8 The District shall continue health insurance benefits for all employees who have been laid off through the last day of the month in which the employee was employed.
- 23.4.9 Employees subject to layoff may receive up to five (5) non-consecutive days paid release time to search for alternative employment. Such time must have the prior approval of the immediate supervisor.

23.5 Definitions as Used in this Policy

As used in this policy, the following terms have the meanings delineated below:

- 23.5.1 Class: A group of positions sufficiently similar in duties and responsibilities that the same descriptive title may be used to designate each position allocated to that class:

Substantially the same requirements of education, experience, knowledge and ability are demanded of incumbents;

Substantially the same tests of fitness may be used in choosing qualified appointees;

The same salary range may be applied with equity.

23.5.2 Class Seniority: The length of service within a classification included within the recognized unit.

23.5.3 Classification: A term which defines those positions in the classified service according to a designated title. Classification excludes working titles.

23.5.4 Displacement Rights (Bumping): The right to displace or bump into a current, lateral, or lower classification. Seniority in a lower classification shall be computed on the basis of hours of paid service in the higher classification(s) plus hours of paid service in the lower classification(s). When a unit employee's position is eliminated or the employee is displaced, the employee has the right to bump only into classification(s) currently or previously held. The employee will first bump into the current classification, and then into any lateral classification(s) previously held. If the employee is then displaced from the lateral classification(s), the employee has the right to bump into the next lower classification(s) previously held.

23.5.5 District Seniority: The length of service from the last continuous date of hire with the District.

23.5.6 Length of Service: Means all hours in paid status as a unit employee during the school year, a holiday, a recess, or during any period that school is in session or closed but does not include any hours compensated for in a provisional, substitute, or temporary (limited-service) position.

23.5.7 Re-employment List: A list of names of persons who have been laid off from permanent positions by reason of lack of work, or abolishment or reclassification of position, or other reason specified in the Board Policy, and who are eligible for re-employment without examination in their former class, arranged in order of their rights to re-employment.

23.6 Comprehensive Effects of Layoff

Article 23 constitutes a comprehensive layoff article. The District will meet with CSEA thirty (30) days prior to implementation to discuss mutually agreeable alternatives to layoffs and the order of layoff and transfer or reassignment of employees in the affected classifications.

ARTICLE 24

CORRECTIVE ACTION PROCEDURES

Progressive Discipline

- 24.1 Progressive discipline is a strategy for taking positive steps in order to stimulate the improvement of employee performance. Progressive discipline enables supervisors to assist employees to meet performance standards and adhere to established rules, procedures and expectations of acceptable job behavior. Progressive discipline should be administered in an objective, consistent, reasonable, and confidential manner.
- 24.2 CSEA and the District agree that progressive discipline will be applied except in cases of gross misconduct. Acts of gross misconduct are intentional, wanton, willful, deliberate, reckless, or in deliberate indifference to the District's interest. Insubordination is the willful or intentional disregard of the lawful and reasonable instructions of the employer or the refusal to obey an order which a manager/supervisor/designated lead is entitled to give and have obeyed. Acts of gross misconduct and/or insubordination may result in the pursuit of immediate disciplinary action.
- 24.3 The rule of thumb regarding the use of progressive discipline is that the employee should:
- a. Be informed of performance standards and job behavior expected on the job;
 - b. Be given feedback on any problems of job performance or behavior.
 - c. Be given no less than one verbal warning that is documented and maintained by the supervisor or may be given a Letter of Direction in conjunction with the initial verbal warning if the offence is not illegal, or does not rise to the level of gross misconduct.
 - d. Neither preceding action will result in documentation being placed in the employee's personnel file.
 - e. Should a regularly scheduled evaluation be due within 90 days of the act which would have resulted in implementation of progressive discipline, Article 8 may be utilized in lieu of the section above.

A Letter of Direction shall include specific recommendations and time periods for improvement, and if appropriate, provisions for assisting the employee in implementing any recommendations made. Failure to comply with the Letter of Direction may result in written reprimand and/or disciplinary action.

- 24.4 Employees shall have the right to CSEA chapter representation and/or a Labor Relations Representative present during any verbal counseling, disciplinary meeting, hearing or appeal conducted by the District administration. Both the employee and CSEA chapter representative(s) shall have the right to reasonable travel time to and from the verbal counseling meeting, disciplinary meeting, hearing or appeal.

Disciplinary Action Procedures

- 24.5 The causes for disciplinary action are enumerated in Administrative Regulation 7365.
- 24.6 Disciplinary action may include suspension with or without pay, demotion or termination. No disciplinary action shall be taken against any permanent unit employee for any cause which arose prior to the date in which the employee became permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of a Notice of Disciplinary Action, unless such cause was concealed or not known to the District. Bargaining unit employees with permanent status shall be subject to discipline only for just cause, pursuant to this article. The District retains the right to terminate initial-entry probationary employees without cause.
- 24.7 If the District proposes that an employee receive discipline, the following due process procedure shall be followed:
- 24.7.1 The employee shall be notified in writing of the intent to discipline. The notice shall in ordinary and concise language outline the specific acts and/or omissions upon which the disciplinary action is based; the rule or regulation, policy, practice or law which the employee has violated; the level of discipline to be imposed; any materials upon which the action is based; and the length of time in which the employee will have to respond either orally or in writing to the due process (Skelly) notice. This notice shall also include a “Request for Skelly Meeting” form.
- 24.7.2 The employee shall have the opportunity to respond to the notice orally (Skelly meeting) or in writing within ten (10) calendar days. This meeting shall be held before a Cabinet-level administrator who is not a party to the proposed disciplinary action, either as the supervisor initiating the proposed disciplinary action or as a direct witness to the proposed charges. In the alternative, the permanent employee may elect to respond in writing to the notice of recommended disciplinary action to the designated administrator. The Skelly officer shall have the authority to uphold, reduce, or dismiss the discipline and/or charges brought forth by the District.
- 24.7.3 If disciplinary action is proposed after the due process (Skelly) meeting, the employee shall be notified in writing of the specific acts and/or omissions upon which the disciplinary action is based; the rule or regulation, policy, practice or law which the employee has violated; the level of discipline to be imposed; any materials upon which the action is based; and the length of time in which the employee will have to appeal the disciplinary action.

- 24.7.4 If the employee chooses to appeal the disciplinary action, he/she must file a “Request for Evidentiary Hearing” with the Human Resources Office within ten (10) calendar days of the date of service of the written notice specified in 24.7.3. Service of notice shall be by mail to the employee’s address of record on file in the Human Resources Department unless the district elects to serve the notice by personal delivery in lieu of mail delivery. This form shall be included with the written notification specified in Article 24.7.3. The hearing will be conducted in accordance with Administrative Regulation 7365. Hearings may be heard by the Board of Trustees, or a designated hearing officer agreeable to both the District and CSEA.
- 24.7.5 After the permanent employee has had an opportunity to respond to the notice of recommended disciplinary action, but has not requested a hearing or has failed to request a hearing in the prescribed time period, the recommendation for disciplinary action shall be submitted to the Board of Trustees. The employee shall have the right to address the Board of Trustees regarding the proposed disciplinary action pursuant to the provisions of the Government Code.
- 24.7.6 The permanent employee shall be provided written notification of the Board’s decision.
- 24.7.7 This article is not subject to the grievance procedure.

- J. Job Measurement: The process of determining the salary level of a position in an organization. The Hay System of job evaluation is currently used by the District. The District may use a different system for evaluation by mutual agreement with CSEA.
- K. Position: The specific assignment/work location within a classification.

26.3 Reclassification Request Process

- A. Requests for classification reviews may be submitted to Human Resources by an incumbent or when it is believed there has been a substantial and permanent change of duties that may result in a different classification of the position held.
- B. The employee must have served in the position for at least one year before a request may be submitted. A position may not be reviewed more than once in any twenty-four (24) month period. This period is counted from the date of submission of the reclassification request.
- C. Requests must be submitted on the current form, available from Human Resources. Reclassification requests will be accepted twice per year, beginning on March 1 and concluding on March 31 and again on October 1 and concluding on October 31. Consideration of a request received during the application period from an employee in a position that is the subject of a current reorganization request, or in a classification that is currently being reviewed by the District and CSEA shall be deferred by mutual agreement of CSEA and the District.
- D. Within ten (10) working days after the reclassification deadline has passed, the Human Resources Office will review each request for completeness and will forward the request to the employee's supervisor.
- E. The Supervisor shall review the request for accuracy and completeness and shall submit any comments within ten working days of receipt.

- F. Within ten (10) working days after receiving all supervisor comments, the District shall schedule a meeting with representatives of the CSEA to review all reclassification requests involving bargaining unit positions.
- G. If a reclassification request results in the creation of a new classification or significantly alters the representative duties of an existing classification, the District, within five (5) working days shall submit the revised position description to the District's job evaluation consultant for measurement.
- H. Within five (5) working days following receipt of the consultant's recommendation the District will schedule a meeting with CSEA to review the measurement.
- I. Within five (5) working days following completion of a reclassification request, the District shall notify the requestor of the determination. The requester may appeal the determination within ten (10) working days. Appeals shall be in writing on a form available from Human Resources. Within five (5) working days following the submission of an appeal, the District shall schedule a meeting with CSEA to review the appeal. The determination of the District and CSEA with regard to the appeal shall be final.

26.4 Effects of Reclassification Changes

- A. When a position changes from one classification to another or the salary level is raised as a result of a review, the incumbent must meet the minimum qualifications for the new class. Should the incumbent not meet minimum qualifications, the incumbent shall submit a written plan to Human Resources that describes how and when minimum qualifications will be satisfied. This plan must be approved by the supervisor and the Executive Vice Chancellor of Human Resources prior to the reclassification of the individual. Should the incumbent not meet minimum qualifications in the new classification in the prescribed time, the District and CSEA shall meet and review the qualification required and make a recommendation to either revise the minimum qualifications, extend the required time lines, or return the incumbent to their previous salary level and former classification. Should this classification no longer exist, the incumbent shall move into a related class at the previous salary level at the next vacancy.
- B. When a position changes classification and/or there is a salary level change, and the incumbent qualifies for the higher level, the employee will be placed according to the current bargaining unit agreement provision or Board Policy, as appropriate. Reclassification requests submitted during the period of March 1 and concluding on March 31 resulting in a salary level change to a higher level classification shall be effective on the 1st day of July of the year submitted. Reclassification requests submitted during the period of October 1 and concluding on October 31 resulting in a salary level change to a higher level classification shall be effective on the 1st day of January of the year following the year submitted. Reclassifications resulting

from approved reorganization requests shall be effective on the 1st day following approval by the Board of Trustees.

- C. When a position is changed to a classification having a lower salary range, the employee's wages may be "Y" rated. See "DEFINITIONS."

26.5 Reorganization

Reorganizations are planned changes in departmental structure where new duties and responsibilities may be assigned. Prior to implementing any reorganization, the District shall negotiate the decision and the effects with CSEA.

26.6 Periodic and Regular Review of Class Specifications

No Later than January 15th of each year, the parties shall begin reviewing classifications in order to determine if any class specifications require modification. The order of review shall be as follows:

- A. All classifications that have not been reviewed in a five (5) year period. The classifications that have remained un-reviewed for the longest period of time shall be reviewed first. In the event that two or more classifications have been reviewed on the same date, the classifications shall be reviewed in alphabetical order. If the parties are unable to determine the date of last review, the review date shall be determined by date of last modification.
- B. The parties may review classifications out of order as required in Article 26.6A by mutual agreement.
- C. If a class specification review results in the creation of a new classification or significantly alters the representative duties of an existing classification, the District shall submit the revised class specification(s) to the District's job evaluation consultant for measurement. The District and CSEA shall negotiate the implementation of any class specification reviews which result in a change in pay grade.

Abilities and Skills Affecting Performances:

Identify and evaluate those abilities and skills that are relevant to the accomplishments of the employee's job responsibilities. Job relevant skills not listed may be added.

PERFORMANCE STANDARD LEVELS

1. **Above Standard** – Contribution exceeds what is normally expected. Often viewed as a model for other employees in the specific area of evaluation. Others see this individual's counsel based on demonstrated authority of knowledge. A majority of marks at this level would signify to the employee that they are ready for further growth opportunities.
2. **Meets Standard** – Performance is what is expected of a fully qualified and experienced person in the position. You would not require significant improvement. If improvement occurs, it is a plus. If not, you have no reason to complain. There is confidence in most recommendations and the individual requires only normal supervision and follow-up.
3. **Below Standard** – Has been on the job long enough to have shown better performance. Must be made aware of performance deficiencies. Has not grasped the situation. If there are a number of marks in the category, the individual should be on a formal improvement program. Could result from being new on the job.
4. **Not Relevant to Job** – Not relevant to current job duties.

Workplace Performance Standards:

Ratings of above standard and below standard must be supported citing examples in comments section. Ratings of below standard must have recommendations for improvements, which shall include specific recommendations, time periods for improvement and provisions to assist the employee in implementing any recommendations made.
