2021 ESTIMATE INSTRUCTIONS

All businesses that have been approved as a New Business (Jump Start) as defined under Philadelphia Code 19-3800 and has subsequently met or will meet the employment requirements, use Worksheet N to complete the Business Income & Receipts and Net Profit Tax returns. (You must complete a paper return if participating in Jump Start Philly).

All other New Businesses starting their business in Philadelphia during 2020 that do not qualify for Jump Start can pay the actual tax (Line 3) for 2020 by April 15, 2021. No 2021 estimate payment is required.

For all other businesses which began conducting business in Philadelphia prior to 2020, a mandatory estimate tax payment toward the 2021 Business Income & Receipts tax is required for all business operating in Philadelphia. This estimate is equal to 100% of the 2020 tax liability, on Line 3, prior to the application of any tax credits from Line 6b. Enter the amount of Line 3 on Line 4 of the return. If you enter an amount on Line 4 less than the amount on Line 3, you may be billed additional interest and penalty.

2020 Business Income and Receipts Tax

If all business is conducted and/or located within Philadelphia, only the BIRT-EZ Pages 1 and 2 should be completed and filed.

If business is conducted and/or located both in and out of Philadelphia, only Page 1 of the BIRT return and the appropriate combination of Schedules A through E should be completed and filed.

Taxpayers must use the same method (Schedule A, Method I or Schedule B, Method II) that they elected on the first Business Income and Receipts Tax return filed. Only Schedule A (Form 24715) or Schedule B (Form 24415) should be completed and filed.

You must complete Schedule C-1 (Form 24515) if you are apportioning your income. Failure to include this schedule with the return may result in the disallowance of your apportionment and you may be billed. If Line 3 of Schedule C-1 is equal to 100%, the BIRT-EZ return must be filed instead. An exception to the required use of the BIRT-EZ return (for a taxpayer whose business activity is 100% within the City of Philadelphia) is in the case of a manufacturer, wholesaler and/or retailer reporting the receipts base tax using the Alternate Receipts Tax Computation. The Alternative Receipts Tax Computation is calculated on BIRT Schedule E which would require the taxpayer to use 2020 BIRT (i.e. long form) with Schedule C-1 calculated to 100%. Schedule C-1 should not be completed or filed if the BIRT-EZ return is filed.

If your business started in 2020 and has been approved as a New Business as defined under Philadelphia Code 19-3800 and has subsequently met or will meet the employment requirements, then use Worksheet N to complete the Business Income and Receipts and Net Profits tax returns. Worksheet N can be downloaded from www.phila.gov/revenue in the "Tax Returns" section.
