Porting

Our products are not portable.

Portfolio landlords

A portfolio landlord has 4 or more mortgaged buy to let properties or 3 mortgaged buy to let properties, plus at least 1 pending application with Precise Mortgages.

The following should be included in the number of properties a portfolio landlord holds:

- ▶ All mortgaged buy to let properties owned by the applicant whether jointly, in their sole name or by a company of which they are a director or shareholder.
- ▶ Any property owned on a residential basis with Consent to Let.
- ▶ If the application is for a Limited Company, properties owned by the company's directors and shareholders, or owned by other companies of which the directors/shareholders are a shareholder or director.
- ▶ Unencumbered properties do not need to be included but may strengthen the overall portfolio.

As part of our underwriting process we will make an assessment of an applicant's portfolio based on their individual circumstances and taking into account the impact of future interest rate increases.

Please refer to the following on our website for further guidance:

- ▶ Portfolio calculator.
- ▶ Dedicated Portfolio landlord web page.
- ▶ Business plan, cash flow and assets and liabilities form.
- ▶ Existing property portfolio details form.

Portfolio lending limits

- ▶ A single customer can have up to 20 individual buy to let loans with Precise Mortgages. This includes Second Charge Loans or Limited Company applications to which they are guarantor. The combined value of these loans must not exceed £10,000,000.
- ▶ There is no limit on the number of properties or loans an applicant has with other lenders.
- ▶ An applicant's portfolio with Precise Mortgages will be assessed at underwriting stage and as a result we may need to amend the loan amount shown on the DIP to meet the maximum LTV limits shown on page 8.

Remortgage applications

- ▶ Remortgage applications are acceptable providing it has been 6 months since either the original purchase date or the last remortgage date.
- ▶ Where a property has been inherited we can consider a remortgage application within the 6 months period if probate has been granted, however we will require evidence of this.
- ▶ Precise Mortgages' Bridging Finance borrowers can remortgage on to a Precise Mortgages Buy to Let Mortgage after 1 month.

Repayment methods

- ▶ Interest Only.
- ▶ Capital and Interest.

Offer validity

- ▶ Offers will be valid for 3 months from the date of valuation. An offer extension may be considered (up to a maximum of 6 months from original valuation date) on request from either a broker or a solicitor.

New build offer validity

New build: 6 months from valuation, extensions can be considered for a further 3 months subject to:

- ▶ Confirmation of changes in circumstance are received in month 5 of the mortgage offer, before the expiry of the initial 6 month offer period.
- ▶ A new credit search and affordability assessment.
- ▶ Latest month's payslip (employed) OR latest month's bank statement (self-employed) for each applicant.
- ▶ The case will be re-underwritten and must still be acceptable to us in line with our then prevailing mortgage lending policy and products.
- ▶ A re-inspection of the property by the valuer (subject to a £80 fee).

All offer extensions must be requested by the acting solicitor or broker.

Let to buy

Let-to-Buy situations may be considered up to a maximum of 80% LTV (product restrictions may apply). Where the customer is raising funds on their existing residential property, then there must be a concurrent purchase of a new residential property and we will require evidence of this.

The remortgage and purchase must complete simultaneously.

Interest Coverage Ratio (ICR)

The rent achieved by the property needs to be sufficient to meet the minimum rental cover requirements determined by the applicant's tax band as follows:

Tax band	ICR rate	Tax band	ICR rate
Basic rate	125%	Limited Companies	125%
Higher rate	145%	Bespoke ICR	125%-160%
Additional rate	160%		

* The customer's tax band should be based on all validated current income plus gross rental income (excluding any deductions) from all rental properties, including the security. Please refer to our online Buy to Let Calculator for further guidance.

The interest rate used in the ICR calculation is determined by the chosen product as follows:

- ▶ Tracker – the higher of pay rate +2%, or revert rate, at a minimum of 5.5%.
- ▶ Short term Fixed rate – the higher of pay rate +2%, or revert rate, at a minimum of 5.5%.
- ▶ 5yr+ Fixed rate – the initial pay rate.

Where rental income is not sufficient to meet the minimum rental cover requirements using rental income alone, Precise Mortgages may reduce the loan amount accordingly.

Bespoke ICR

The bespoke ICR will be calculated on an application when:

1. Rental income from property being purchased moves the applicant into a higher tax band.
2. Joint applicants are in differing tax bands.
3. Joint ownership is set up as tenants in common with unequal shares in the property.

Top slicing

If the requested loan amount is not available because the rental income is not sufficient to meet our minimum ICR requirement, Precise Mortgages will consider using surplus income to support the requested loan amount (known as top slicing). All eligible applications will be given the option to use top slicing when selecting a product at DIP stage. If an applicant chooses to use top slicing to support a loan, additional validation may be required.

The following criteria will apply:

- ▶ The rental income for the property must be a minimum of 110% of the payment when calculated at the pay rate of the chosen product. Surplus income from an applicant's existing property portfolio (in the first instance) or surplus earned income can then be used to demonstrate affordability against the ICR required for the loan based on our current lending criteria at the assessment rate for the chosen product.
- ▶ We can accept multiple applications that are utilising top slicing only where the parties to the loan are the same on each application.
- ▶ The repayment method must be interest only.
- ▶ There are no minimum income requirements but all earned income used for top slicing must be validated to the Precise Mortgages underwriter's satisfaction.
- ▶ All existing credit commitments will be taken into consideration when completing an affordability assessment.
- ▶ We will look to use excess income from the applicant's existing property portfolio to support the loan in the first instance. If the portfolio income is not sufficient then we can look to use excess earned income and income verification will be required.
- ▶ Limited company applications: only the first two applicants will be included in the affordability assessment for top slicing. Therefore you should key the two highest earners first to improve access to a wider range of options.
- ▶ If the application is a let to buy, details of the new residential mortgage repayment amount, repayment type, interest rate and term will need to be entered onto the online application. We will require evidence of this by way of a mortgage offer prior to an offer being made by Precise Mortgages. If the exact details are not known at the time of application, our ability to offer top slicing on the buy to let application may be affected.
- ▶ Applicants in receipt of furlough income or income from the Self Employed Income Support Scheme (SEISS) are not eligible for top slicing.
- ▶ First-time buyer landlords will not be offered the option to use top slicing.

Source of funds

- ▶ The deposit must come from the applicant's own resources and have originated from within the EEA.
- ▶ Capital raising by way of a remortgage or secured loan on an existing property owned by the applicant is acceptable.

Family gift

- ▶ Acceptable unless the property is being purchased from the family member who is providing the gift.
- ▶ Where the property is being purchased from a family member at a discounted price, this is acceptable providing the family member will not continue to reside in the property following completion. Our lending and LTV will be based on the reduced price and the vendor relinquishing all rights to the property.

Builder's second charge

A builder's second charge is acceptable providing the customer is committing a 15% deposit from their own funds. Payments for the builder's second charge will be taken into account for affordability.

Unacceptable sources of deposit

- ▶ Help to Buy
- ▶ Builder's deposit- where the builder is offering any cash-based incentive (rather than a Builder's second charge) e.g. discounted purchase price, stamp duty paid, legal fees paid, cash back after completion, mortgage paid etc. this will be deducted from the lower of the purchase price/valuation, and LTV will be calculated on the net figure.
- ▶ Forces Help to Buy.
- ▶ Ministry of Defence Loan.
- ▶ Cryptocurrencies- any deposit sourced via cryptocurrencies e.g. bitcoins, is not accepted.

Refurbishment Buy to Let

Our Refurbishment Buy to Let product allows your customer to take advantage of the flexibility of Bridging Finance with the surety of an exit onto a Buy to Let Mortgage once the property has been refurbished (providing there is no change in circumstances and the property meets the expected valuation following refurbishment).

We are only able to consider properties requiring light refurbishment and each element of the loan should meet the relevant standard criteria. Customers must be confident they can complete any refurbishment work within the Buy to Let offer validity period (6 months from initial valuation).

Process

- ▶ One application submitted to us, which we will key for you.
- ▶ One expert underwriter will provide support throughout the whole case.
- ▶ One valuer will assess the property (where possible).
- ▶ One conveyancer can act on the application.
- ▶ Two offers will be issued - one for the Bridging Finance and one for the Buy to Let Mortgage (the Bridging offer will be valid for 3 months and the Buy to Let Mortgage offer for 6 months from the date of the initial valuation). The Buy to Let Mortgage product chosen will remain available whilst the Buy to Let Mortgage offer is valid, allowing customers the security of knowing what their monthly repayments will be once the refurbishment is complete.
