

GARAGE SALE PRICING GUIDE

All items must be dropped off with a price attached! It is best to use masking tape to price items, as the small round dots tend to fall off.

This list is meant to be a guide only to help with pricing for the sale. As it is impossible to list every imaginable object, please use your best judgment. Remember that people are looking for bargains and try not to overprice. Everything must be in good condition, good working order and clean.

We cannot accept any of the following items:

- large appliances (stoves, washers, etc.)
- large furniture (sofas, etc.)
- mattresses
- paperback books or text books
- adult clothing or shoes

The minimum price for any item should be \$.50; small items should be bagged as a group to make a minimum of \$.50.

If you need any help with pricing or delivery, please contact Helen Marshall at 912-658-3209 or heheimar@comcast.net.
