"The One who breaks open will come up before them; they will break out. Pass through the gate, and go out by it; their king will pass before them, with the Lord at their head."

Micah 2:13 – Primary Scripture

"Now it shall come to pass, if you diligently obey the voice of the Lord your God, to observe carefully all His commandments which I command you today, that the Lord your God will set you high above all nations of the earth. And all these blessings shall come upon you and overtake you, because you obey the voice of the Lord your God..."

Deuteronomy 28:1-2 – The Promise and the Condition

"Then the LORD put forth His hand and touched my mouth, and the LORD said to me: 'Behold, I have put my words in your mouth. See, I have this day set you over the nations and over the kingdoms, to root out and to pull down, To destroy and to throw down, To build and to plant.' Moreover, the word of the LORD came to me, saying, 'Jeremiah, what do you see?' And I said, 'I see a branch of an almond tree,' Then the LORD said to me, 'You have seen well, for I am ready to perform My word.'"

Jeremiah 1:9-12 – It's Time to Build!

Apostolic Council of Prophetic Elders Word of the Lord for 2017 and Beyond "The Breakthrough Year"

I. Background of the ACPE

The ACPE has the conviction that we are to function as an Acts 13:1-3 group. This passage notes that it was the Holy Spirit releasing a prophetic word as a consensus of the prophets as opposed to the exclusive utterance of any one prophet. So, even though this is a compilation of the prophecies that we each have brought to the round table meeting, it was the general consensus of the ACPE members that the Holy Spirit was speaking the following prophetic words to us.

While we are calling this a prophecy for 2017, it should be noted that the ACPE believes that the Lord speaks more in seasons, as opposed to our calendar years, and in the past few

years we have observed that the trend of some of the prophetic words has been continuing for several years and intensifying.

It is also important to note that intercession can diminish the severity of some of the words that speak of potential judgment – and in some cases may avert them all together. In any case, all prophecies should be bathed in intercession, both the ones that speak of harvest and blessing, as well as the ones with the admonitions attached to them.

C. Peter Wagner with the assistance Cindy Jacobs and other leaders founded the Apostolic Council of Prophetic Elders over 17 years ago. For the last several years, the ACPE has been Chaired and Directed by Cindy Jacobs of Generals International and is one of several different prophetic roundtables that convene in the United States and other nations. The ACPE relationally gathers regional, national and international level prophets to seek the Lord for the Word of the Lord on a yearly basis.

II. Receive Your Breakthrough This Year

This is the year that the blessings will overtake us if we obey the voice of our God! If we put out hands to the things pertaining to the Kingdom of God for His sake, we will begin to prosper. It is critical that we spend time seeking the Lord for the right alignment in our relationships for us to release these blessings. For some, it will mean a geographic move, for others, the leaving of the old for the new, for some, the staying in covenantal relationships even when they are tested.

God gave the understanding to numbers of prophets that we need to apprehend the Hebraic meaning of our times, as well as the that for the year on the Roman calendar. The year 2017 on the Roman calendar corresponds to the year 5777 on the Hebraic calendar, which is symbolized by the crowned sword.

The sword cuts off the old and releases the new. The enemy has been trying to “cut off” many relationships and come against the new move of unity coming to families and the Body of Christ. We see Satan being defeated on many levels as we experience great breakthroughs, both personally and corporately.

This is the year of breakthrough to release the following things:

- Mantles or anointings of the Holy Spirit released across generations. This is the year of securing your legacy.
- New leaders recognized and released.
- Shifts in government and new international alliances forming.
- More corruption exposed on national levels, both in the United States and other nations.

A diversity of mantles is falling in this time like unto what C. Peter Wagner carried. Mantles from God for the writing books, prophetically “seeing” trends, keeping the church (ecclesia) fresh and ready for each new move of God are being distributed to properly aligned leaders in this hour.

Old wine structures are going to be tested, and those who will be willing to become new wine will be promoted. Churches who allow themselves to become apostolic sending centers will grow and see many saved.

There will be many, many changes in this coming year. Changes in locations, houses, buildings, and the breaking off of generational systems of debt. It is the year of the “Suddenlies”.

A new generation of spiritual warriors will be trained and arise to do governmental and prophetic intercession. Old prayer movements will be strengthened, and a new generation of prayer warriors will arise for battle. There will be an awakening of prayer and spiritual warfare. Deliverance will take place on many levels through this fresh movement.

III. A Great Season of Harvest

The greatest harvest of souls the earth has known is upon us. Hundreds of thousands will be swept into the Kingdom. The Middle East will experience a revival and this will extend into the evangelization of both the Arab and the Non-Arab-speaking Muslims. Look to Egypt to be a leader in this revival and awakening.

The inner cities of America and the areas in which Satan has built his greatest strongholds will begin to rebuild, and the revivals in such cities as Detroit and Chicago will astound the news! God says, “I will not forget the inner cities!”

This harvest time will result in the salvation of high-profile leaders both in the media, government, and education spheres of society. They will be vocal and unashamed! Their bold presence on social media will cause a huge stir in the news services. God is going to shake pop culture! He is going to use it for His glory.

Look to the reserves and reservations and tribal lands of the nations of the earth. The indigenous peoples of the earth are about to be touched by God’s power. Where they were oppressed through colonization, they are going to experience great healing and receive the power and grace to forgive the terrible atrocities committed against them. As a result, they will be used to touch many nations with the truth of God’s saving power.

The historic wells of revival are going to flow again as bold evangelism takes place on the streets and on the campuses of schools where progressivism and Marxism have taken root. Latin America will be a leader in this move of God once again!

IV. A New Renaissance

New songs and new sounds will flow from emerging worship leaders. The Tabernacle of David will see the release of many, many new Psalmists that will sing the song of the nations. A new, even more passionate generation of abandoned worshippers is emerging!

Songs will be written that influence not only the church but also society at large. These songs will disciple nations. We will sing the sounds of awakening in society! The bells of true liberty will ring in song once again.

Power worshippers will arise as a new generation moves into cities and regions and break open the heavens in a massive way. Through praise and worship, they will “pierce the darkness” created by principalities and powers over regions. They will become “sent ones” to prepare the way for the evangelists who will come after them.

This worship movement will see an even greater rebuilding of the Tabernacle of David with many more 24/7 Houses of Prayer being established. They will have an understanding of the connection that God has given between the church and Israel and many will call this new move a “Davidic Messianic” movement of believers.

V. A Movement of Reformers

2017 is the 500th anniversary of the Reformation. Many people will talk about the need for societal reformation and desire to be reformers. Young people will band together to form movements that display a passion to go into each area of their culture and see reformation.

This is the year for a reforming revolution. It will set the stage for the greatest outpouring of the spirit and awakening the world has even known! Nations that were never impacted by the reformation will begin to experience one now. This will happen in all the continents! “Africa, Africa, Africa, you are moving into your greatest hour, says the Lord!”

Germany and France will be deeply impacted by this move of God. New Calvin’s and Luther’s are arising! Books will be written and the history of past moves of God will be studied. However, while this will impact denominations such as the Lutherans, it will also go into the Catholic churches, the Coptic’s from Egypt, the Orthodox churches in Russian and Eastern Asia. It will affect both the Eastern and Western Orthodox churches.

Social media will be the Gutenberg press in this reformation. The news will be amazed as very liberal owners of social media begin to announce that they are now believers. This will impact the Silicon Valley community in California in a big way. The Holy Spirit is calling for massive intercession for influencers in these sectors of society.

The youth, who have been part of the “hard left” with liberal, humanistic agendas will suffer great disillusionment. But if the church will reach out to them in this time of lost dreams, they will be saved and become part of the most powerful move of evangelism and discipling their nations have ever known.

University campuses are going to experience an even greater awakening. New, passionate leaders will boldly preach the gospel on their campuses. They are evangelistic reformers! The youth revolt will turn into a youth revival! It is the time of the restoration of the Evangelist.

What the Holy Spirit Is Saying

I. Global Harvest

The harvest is ripe in the nations of the earth. Harvesters are being released to bring souls into God's kingdom from every language, tongue, tribe and nation. Bob Jones gave a key word in 1983 concerning 3 signs concerning the beginning of the Great Harvest. What are these 3 signs?

II. Prepare

It is not enough just to hear what the Lord is saying, or to have the knowledge or revelation, we must put it into practice by preparing! Now is the hour to mentor, prepare the next generation. It is time for the multiplication anointing.

III. Organic Church Growth Movement

The church is getting ready to turn over a new leaf of new life! As souls are added to the kingdom God will release new wineskins that will help to hold this new wine. It is time for New Wine Skins for New Wine.

IV. Presence Saturated Worship

It's time to return to our first love. The authentic worship of the Lord mixed with the prayers of the saints draws the presence of the Lord near! Some of the greatest gatherings will those of Abandoned Worship where the supernatural culture of healing, miracle and deliverances will be released.

V. Closing Prayer

- Father, we ask you for the release of a fresh outpouring of the wind of the Holy Spirit to renew war-weary veterans of faith.
- We ask for an impartation of the spirit of prayer and supplication. We desire to be watchmen on the walls in 2017.
- We ask you for an increase of the Spirit of Revelation and Expectation for Breakthrough in every area of life and ministry in Jesus Christ Name!
