TIMETABLE

AVOID CLASH IN TIMETABLE

Timetable Clash

The examination timetables are decided by the Examination Boards. It is the candidates' responsibility to check CAREFULLY the relevant examination timetables (including GCE / IAL / GCSE / IGCSE) and the regulations, syllabuses and other relevant information on the Edexcel website (www.edexcel.com) before submitting their entries so as to avoid timetable clashes among subjects entered and prohibited combination of subjects/units. Normally, no special arrangements will be made under such circumstances. Candidates who wish to sit more than one examination session on the same day are advised to check and ensure that there is sufficient break time (e.g. two hours) between examination sessions for travelling and taking rest. These examinations may be held at different examination centres required travelling. Please pay attention to the start time specified below.
