

# FRIDAYS™

## NUTRITIONAL INFORMATION

Fridays™ offers authentic American food and exciting drinks in an atmosphere that provides an energizing Friday feeling – any day of the week.

We focus on fresh, quality ingredients; bold, craveable flavors; and fun, shareable items. We have something for every appetite including Jack Daniel's® glazed items, fresh USDA choice steaks and burgers, all-natural chicken, sweet treats, unique drinks and much more.

At Fridays™, we are constantly working with our chefs and mixologists to create and capture emerging food and drink trends that appeal to our Guests.

We happily try to accommodate any special requests and to make substitutions for vegetarian creations (though no meal is vegetarian certified).

Many of our Guests want to know more about the food we serve. Therefore, we provide several types of nutritional information to help our Guests make informed choices.

Participating Fridays™ will, upon request, provide Guests with a supplemental Gluten Sensitivity Selection menu and an Allergen menu with easy-to-read icons to identify foods that contain wheat, soy, peanuts, shellfish and other allergens. Fridays™ also provides this online nutritional analysis to help our Guests find the meal that is right for them.

The nutritional information is valid at participating U.S.A. restaurants only. Some items may vary by restaurant and may not be available at all locations. This nutritional information comprises data obtained from our suppliers, a third-party consultant and independent laboratories. We will update this information with the introduction of each new menu. This information is effective on June 20, 2018.

Fridays™ strives to provide complete and accurate nutritional information; however, ingredient variations may occur due to the handcrafted nature of our menu items, Guest substitutions or regional availability of products. All items are listed as served, unless otherwise indicated.

Fridays™ All-Natural Chicken: We add nothing artificial to our chicken breasts and they're minimally processed – just chicken with a hint of sea salt.

Whatever you choose, we promise your dining experience will go from ordinary to extraordinary because "In Here, It's Always Friday.®"

# FRIDAYS™

The nutritional information is valid at participating U.S.A. restaurants only. Some items may vary by restaurant and may not be available at all locations. This nutritional information is comprised of data obtained from our suppliers, a third-party consultant and independent laboratories. We will update this information with the introduction of each new menu. This information is effective on June 20, 2018.

Fridays™ strives to provide complete and accurate nutritional information; however, ingredient variations may occur due to the handcrafted nature of our menu items, Guest substitutions or regional availability of products. All items are listed as served, unless otherwise indicated.

Whatever you choose, we promise your dining experience will go from ordinary to extraordinary because “In Here, It’s Always Friday.®”
