GST Software

GST is mostly likely to be introduced from 1st July. The company has already introduced **CompuGst** software for GST compliance. Migration facility has already been provided. The other necessary forms are under progress and will be incorporated as finalised by GSTN. You may contact us for demo of software.

NEW CompuDms

We also wishes to inform you that, company has launched NEW CompuDms software. Generally clients need Computation, ITR-V, 26AS, CPC receipt, Tds returns, Tds certificates, etc. for 3 years. It is totally a new software having compilation of documents at one place. You may print/view/mail all computations, ITR-V, 26AS, 26Q, ST returns, Balance Sheets, Audit Reports etc. Not only this, you can keep these documents at cloud and provide access to your clients so that they don't bother you every time for sending documents. Mobile app has also been developed to stay connected you with the documents any time you need. Company is providing FREE TRAIL of 60 days of this software so that you may evaluate it. After evaluation if you desire to buy the software, kindly do so as company is providing limited offer of Cloud facility free of cost upto 31st March 2018.

Node charges

Your software is multi-user. Company provides free support upto 3 nodes. If you think that you need support on more than 3 nodes, kindly pay for LAN Charges according to your requirement to avoid any interruption at the time of need. Charges per node is Rs. 288/-.

We value your association with us therefore we have enclosed a feedback form to raise your queries and suggestions, this will enable us to serve you better.
