## ECONOMIC REQUIREMENTS

Economic requirements are identified according to the incomes and assets of the student's family. In order to identify these requirements, international students whose families reside abroad, first have to obtain some particular consular documents, then they have to go to a CAAF Office (Authorized Center for Fiscal Assistance) and ask for an "ISEE Parificato".

### Consular documents

#### International students who do not have to submit consular documents<sup>5</sup>

The following kinds of students do not have to submit consular documents.

1. **International students whose families reside in Italy:** only the "ISEE Universitario" certificate is required, and they have to submit the application in the same way Italian students do<sup>6</sup>.
2. **Extra-EU students whose families reside in a Extra-EU countries, and who apply as successive year or a last semester confirming their economic data.** Belong to this category of students the ones who enroll in a successive year or in their last semester in 2021/2022 and that applied for and obtained an Edisu benefit in 2020/2021 submitting a new "ISEE Parificato" or confirming the economic data submitted in 2019/2020 or 2018/2019. **Students can confirm their economic data only if the family-economic situation did not change compared to the year they submitted their documents for the first time**

*EU students enrolled in **successive year or last semester**, who applied for and obtained an Edisu benefit in 2020/2021, can submit the same documents they used for the 20/21 application if they cannot collect new documents because the authorities in charge are unable to issue or legalize them due to Covid-19 health emergency.*

***That is possible only if the family-economic situation did not change compared to the one of 2020/2021.***

#### International students who have to submit consular documents<sup>7</sup>

International students whose families reside abroad and who cannot confirm their economic data, have to submit the consular documents specified in paragraph "Consular documents"; otherwise they will be excluded from the competition. Students belonging to this category are:

1. first year students<sup>8</sup>;
2. successive year or last semester students who cannot confirm their economic data (see above);

<sup>5</sup> Art. 30 par. 1 Notice of Competition 21/22.

<sup>6</sup> Art. 7 Notice of Competition 21/22.

<sup>7</sup> Art. 30 par. 2 Notice of Competition 21/22.

<sup>8</sup> Also the ones who applied for 2020/21 first year benefits but were excluded because of missing visa or uncomplete enrolment.

3. students who apply for the seventh semester of Bachelor's Degree and first year of Master's Degree;

## List of consular documents<sup>9</sup>

Consular documents consist of certificates or declaration, issued in original copy, stating:

1. **the student's family composition** (name, surname and date of birth of parents, brothers, sisters and other people residing in the same house of the student).

The information about the student's parents must be always provided: if one of the parents passed away, the documents must specify the decease date; otherwise, the student must enclose a death certificate, although not in original copy.

If the student's parents are separated or divorced, or in case of single parent, the student must enclose a certificate stating this condition.

Students who want to apply as independent (i.e. without submitting the economic documents related to their parents) must submit documents proving their own income from work in 2019 and 2020 and that they have been living on their own for 2 years at least. The income must be 6,500.00 € per year at least if earned in Italy or another EU country.

If the student is married, the family is composed by the student, the spouse, the children and other possible members. The student's parents must be included if they live in the same family unit of the student or if neither the student nor his/her spouse is independent (i.e. income from work in 2018 and 2019 and living on their own for 2 years at least).

2. **the annual household incomes earned abroad during 2019.** The incomes of each member in the family unit (included the adult siblings whose data appear on the family composition certificate) must be taken into account.

If the certificates about 2019 are not available, documents relating to 2020 income are acceptable **only for extra-EU students;** EU students must submit 2019 related incomes.

Certificates considering periods belonging to two different years (e.g. from Mar. 2019 to Mar. 2020) are not accepted. For the countries whose fiscal calendar or solar calendar is different from the Italian one, it is possible to submit the incomes that cover the whole Italian solar calendar (e.g. from Mar. 2019 to Mar. 2020 + from Mar. 2020 to Mar. 2021, so that the whole 2020 is covered).

If the student's parents or other adult members of the family do not work, the documents must specify their unemployment condition: for unemployed adult siblings, the certificate of enrollment to schools or universities is acceptable as unemployment certificate.

Whenever there are any retired members in the student's family unit, the student must provide a certificate on the retirement, stating the retirement's amount for at least one month.

Bank account movements, in which the payment of the salaries is specified, cannot be accepted as income related documents.

3. **the bank accounts/deposits and any other movable assets (bonds, shares etc.) possessed by each member included in the family unit on 31 December 2019.** This document is compulsory but it must be translated only (acceptable also in English or French), not legalized.

4. **the immovable assets (real estate) possessed by all of the family members.** This document is required even if none of the adult members of the family possesses any assets, or if it is not possessed anymore when the document is issued.

Rental agreements do not substitute the lack of property documents.

The property certificate must compulsorily specify the square meters of the property.

Assets documents relating to lands are not required.

EU students must submit the immovable assets document referred to 31 Dec. 2019

**These certificates must be:**

1. issued by the competent authorities of the countries where the incomes are produced and the properties are located;

---

<sup>9</sup> Art. 30 par. 3 Notice of Competition 21/22.

2. translated in Italian language by an official translator. The translation must be attached to the original document: **translation separated from its original is not acceptable**.
3. legalized by the Italian diplomatic mission of the students' home countries (Legalization Office at the Embassy or General Consulate). If the country is a member state of the Hague Convention of 5 October 1961, an apostille stamp on the document is considered a full legalization: in this case, apostille can be issue in French, in the language of the country or can be in multi-language version.

Students who arrive in Italy with the documentation in original language, not translated and legalized, or meet attested difficulties to issue or legalize the documents in their own Country, have to:

1. **stamp and translate the documents** at their Embassy or General Consulate in Italy. Otherwise, they can ask for a consular declaration, issued on the basis of the original documents, attesting the composition, incomes and assets of the student's family;
2. **legalize the documents** in a Prefecture.

Students can also get their documents translated in Italy, by an official translator, and get the legalization in an Italian Courthouse ("Tribunale") with the procedure called "Asseverazione".

For more info about the EU documents legalization and translation, find the section *services > scholarship* in the EDISU website.

Documents about the **family's composition and assets** must be compulsorily issued in 2021.

**The translation and legalization procedures of all the documents listed above must be done in 2021.** Translations and legalization with a date before Jan. 1<sup>st</sup> 2021 are not acceptable.

Affidavit or self-certification based on student's original documents or students' declarations, cannot be accepted.

#### EU students: particular requirements for consular documents<sup>10</sup>

EU citizens must submit the above-mentioned documents paying attention to the following points:

- Self-made translation is not acceptable but an official translator must do it.
- Income documents can be referred **to 2019 only**
- Assets documents must refer to **31 December 2019**
- If the student was winner of the EDISU scholarship in a previous year, he/she must submit the details of the bank account on which he/she received the EDISU scholarship.

European students can refer to the FAQ in the section "ISEE/ECONOMIC REQUIREMENTS" > "EUROPEAN CONSULAR DOCUMENTS" for further information about the certificates and legalization procedures.

#### International students with a part of the family residing in an EU country and the other part residing in an Extra-EU country<sup>11</sup>

International students with a part of the family residing in an EU country (other than Italy) and the other part residing in an Extra-EU country must submit both the documents referred to the part of the family living in EU and the documents referred to the part of the family living outside EU.

Concerning the EU part, the documents must be as follow:

- Income documents must be referred **to 2019 only**
- Assets documents must refer to **31 December 2019**

If the student has multiple citizenships, he/she must apply for EDISU benefits with the same citizenship he/she chose for the enrollment in the university.

---

<sup>10</sup> Art. 30 par. 7 Notice of Competition 21/22

<sup>11</sup> Art. 30 par. 6 Notice of Competition 21/22.

### International students with a part of the family residing in Italy and the other part in a foreign country<sup>12</sup>

These students must submit:

- For the part of the family residing in the foreign country, the above-mentioned consular documents.
- For the part of the family residing in Italy, the "ISEE Universitario" which includes the student and the family members living in Italy.

The "ISEE Parificato" will be issued by combining the ISEE Universitario with the information provided by the consular documents.

Successive year extra-EU students who applied and got an EDISU benefit in 2020/21 cannot confirm the economic data but they need to submit a new ISEE Universitario and a new ISEE parificato.

Concerning the consular documents, they can use and submit the copy of the ones they submitted to EDISU previously.

### Students coming from particularly poor countries<sup>13</sup>

Students coming from particularly poor countries must submit a single certificate, issued by the Italian diplomatic mission in their home countries, attesting that the student does not belong to a family known for its high incomes and its high social level. Particularly poor countries are: **Afghanistan, Angola, Bangladesh, Benin, Bhutan, Burkina Faso, Burundi, Cambodia, Chad, Comoros, Congo (Democratic Republic of), Korea (Democratic Republic of), Eritrea, Ethiopia, Gambia, Djibouti, Guinea, Guinea Bissau, Equatorial Guinea, Haiti, Kiribati, Laos (People's Democratic Republic of), Lesotho, Liberia, Madagascar, Malawi, Mali, Mauritania, Mozambique, Myanmar, Nepal, Niger, Central African Republic, Rwanda, Sao Tome and Principe, Senegal, Sierra Leone, Salomon (Islands), Somalia, Sudan, South Sudan, Tanzania, East Timor, Togo, Tuvalu, Uganda, Vanuatu, Yemen, Zambia, Zimbabwe.**

### Students with international protection and stateless students<sup>14</sup>

Students with international protection must submit a residence permit with justification "political refugee (political asylum)", "subsidiary protection", "extraordinary cases", "extraordinary protection" or, if the residence permit is not expired yet, "humanitarian grounds".

Students who do not have a residence permit yet can submit a document, issued by the Police Headquarters ("Questura") or the competent Territorial Commission, attesting the status of international protection.

If the request for the international protection is rejected, the student must submit a copy of the complaint against the rejection and a copy of the provisional residence permit issued by the Court: if the complaint is accepted, the students must submit a copy of the new residence permit specifying the international protection.

Stateless students must submit a residence permit attesting their status, or a certified copy of the sentence attesting the stateless condition.

The economic condition of students with international protection and stateless students will be evaluated exclusively on the Italian incomes and assets and they must submit an ISEE Universitario. Further status will be taken into account during the assessment of the documentation.

<sup>12</sup> Art. 30 par. 6 Notice of Competition 21/22.

<sup>13</sup> Art. 30 par. 4 Notice of Competition 21/22.

<sup>14</sup> Art. 30 par. 5 Notice of Competition 21/22.

## "ISEE Parificato"

The documents listed above must be **submitted to a CAAF Office** (Authorized Center for Fiscal Assistance) **under agreement with EDISU for the release of an "ISEE Parificato"**. The list of the CAAF Offices under agreement with EDISU is available on EDISU website ([www.edisu.piemonte.it](http://www.edisu.piemonte.it)) at section "Data" > "Informative directories". We suggest contacting a CAAF Office and **making an appointment as soon as possible**. If the CAAF issues two ISEE, the first concerning the student and the second concerning his/her family, students have to submit both to EDISU.

Students with the whole family residing in Italy, students with international protection and stateless students do not need ISEE parificato but they must issue "ISEE Universitario", which can be issued in every CAAF office in Italy.

Students can apply for EDISU scholarship and accommodation only if their "ISEE Parificato"/"ISEE Universitario" and ISPE values do not exceed the following thresholds<sup>15</sup>.

ISEE Parificato/Universitario <sup>16</sup>	ISPE (ISP/SE)
≤ € 23.626,00	≤ € 51.362,00

The accuracy of the consular documents will be valuated by EDISU itself, not by CAAFs; EDISU can compare the data on the consular documents with the ISEE Parificato and, if the latter has any mistakes, will recalculate the ISEE value.

### How to get an ISEE Parificato

Students can get the ISEE Parificato:

- **In person:** after making an appointment with the CAAF directly, students can go there the day of the appointment with their consular documents and the operators will issue the ISEE Parificato in the same day. EDISU invite the students to be there on time.
- **Sending someone on their behalf:** in this case, students must take an appointment with the CAAF first, then they have to fill the proxy form available on EDISU website ([www.edisu.piemonte.it](http://www.edisu.piemonte.it)) at section "Data" > "Forms" > "Scholarship" > "Form proxy ISEE Parificato"; students will send the filled form, their ID and the ID of the person they choose to EDISU by ticketing. EDISU will authorize the CAAF to issue the ISEE to the person on student's behalf. The person must go to the CAAF the day of the appointment with the consular documents, a copy of the proxy letter, his/her own ID and a copy of the student's ID and the operators will issue the ISEE Parificato in the same day. EDISU invite the students' proxies to be there on time.

- **Remotely:** *students who cannot come in Italy in the first semester because they attend online classes must apply for ISEE Parificato from their country (or send someone on their behalf, as specified above). In order to apply for ISEE Parificato remotely, students must open a ticket to EDISU ( section ISEE/ECONOMIC REQUIREMENTS - ISEE PARIFICATO CERTIFICATE) with a copy of their consular documents and their passport attached. EDISU will share those documents with the CAAF, together with the student's email (students must check their email to be correct) and the CAAF will send in 72 hours the ISEE Parificato by email to the students, who need to sign it, send a signed copy back to the CAAF and keep one copy for themselves. Only in this way, students will be able to complete the application remotely.*

**Students can apply for the ISEE Parificato remotely only for urgent situation: if he/she cannot arrive in Italy on time for the deadline and he/she does not have anyone on their behalf**

The CAAF will issue the ISEE Parificato based on the information they find in consular documents **for free**.

<sup>15</sup> Art. 6 par. 1 Notice of Competition 21/22.

<sup>16</sup> ISEE is calculated as the sum of incomes earned abroad plus 20% of assets owned abroad (DPCM 159/2013) and Criteri Regionali a.a 2020-21 Sez. V

EDISU will consider only the amount of credits in the university database. If there is any difference between the amounts declared by the student and the one in the university database, students must refer to university, not to EDISU.

Credits recognized for different reasons (career abbreviation, single courses, withdrawal from studies/forfeiture) are added for the definition of the year of enrolment.

Students who apply for the credits recognition before they apply for EDISU benefits must declare it through the dedicated procedure in section "University data" of the online application form.

If the academic career abbreviation is approved:

1. before the application's submission, students must declare it with the appropriate option available at section "University data" of the application;
2. after the application's submission, but within 19 November 2021, students must open a ticket as a registered user with the related procedure to inform EDISU within 19 November 2021,
3. after 19 November 2021, students must inform Edisu as soon as possible via ticketing, These students are considered as first year for the academic year 2021/2022, but they will be included in the right year from the next academic year 2021/2022 (academic year of enrolment backdated according to the number of credits recognized).

The abovementioned specification also applies to "early enrolment" starting from March 2021.

Students who applied for **career credit recognition from a foreign career** must achieve and register at least 20 credits in any case, within 10 August 2021 (in order to receive scholarship's second instalment) or within November the 30<sup>th</sup> 2022 (in order to maintain just the first instalment). Differently, the benefits granted need to be reimbursed to Edisu.

Among the useful credits, it is possible to count only the ones achieved in the Piedmontese University, not the ones achieved abroad and recognized by the University after the career credit recognition's approval.

### Transfers from other Italian universities or from other courses<sup>19</sup>

Students who make a transfer from another Italian university or from another course of the same university cannot apply as first year students but must apply as a successive year ones. In order to be eligible, the new university/course must recognize the amount of credits required, according to the first year of enrollment.

For example, if a student enrolls in a course in 2020/21 and then he/she decides to make a transfer, In the academic year 2021/22 he/she must apply for Edisu benefits as a second-year student; in order to be eligible, he/she must meet the merit requirements as well, i.e. he/she must achieve at least 25 credits within 10 August 2021 and at least 25 credits must be recognized by the new degree course after the transfer (see below, the SUCCESSIVE YEAR section).

<sup>19</sup> Art. 14 par. 4 Notice of competition 21/22

## SUCCESSIVE YEARS<sup>20</sup>

Successive year students, including further semesters, must have achieved and registered the credits specified in the following tables within 10 August 2021.

The confirmation for merit application allows students who meet the related requirements to confirm the benefits by being set in a priority ranking list.

To confirm the benefits, students must have been winners of Edisu Scholarship in the a. y. 2020/2021.

*Both students who were assigned an accommodation in 2020/2021, the ones who applied for delayed check-in in 20/21 and the ones still set in the 20/21 scrolling ranking list, not assigned at 30 June 2021, who got the commuter scholarship amount because they did not submit the declaration of house rental, can submit the accommodation application as benefit confirmation for merit.*

### Bonus<sup>21</sup>

Bonus credits are credits automatically gathered by students during their University career and they can be used to achieve the merit required to apply for Edisu benefits.

**Students enrolled in a successive year of a master's degree course, who achieved the bachelor's degree in a foreign university, cannot use bonus credits.**

Bonus credits are gathered starting from the first year of enrolment in a bachelor's degree or in a single cycle master's degree in Italy as specified below:

#### Full-time students:

- 5 bonus credits: to apply for the second year;
- 12 bonus credits: to apply for the third year;
- 15 bonus credits: to apply for years following the third.

#### Part – time students:

- 3 bonus credits: to apply for the second year;
- 6 bonus credits: to apply for the third year.

When a student uses a certain amount of bonus, he/she can no longer use it in the following years.

If students use some of their bonus credits, they cannot gather more bonus credits during the rest of the University career.

If students have bonus credits left, they can use them in the following years (also during the master's degree).

For instance, to apply for the 3<sup>rd</sup> year benefits, a student uses 10 bonus credits (out of 12 available). He/she will no longer be able to use again the 10 bonus credits in the following years but he/she will have 2 bonus credits left.

*Whenever the Italian Government or Regione Piemonte take any measure for further bonus credits, due to the current health emergency, EDISU will incorporate it by drafting new ranking list for the students excluded for merit requirements in the ranking list of 15 December 2021.*

<sup>35</sup> We remind that all the Edisu PIN codes will be deactivated for good on 30/09/2021: students with "residenza anagrafica" in Italy must get a SPID; if students do not have "residenza anagrafica" in Italy, it will be possible to apply every year for a new Edisu Temporary Login Code. For more information about the Edisu PIN and SPID codes, find the "online services" section of our website.

We remind that the Edisu PIN expires on 1 October 2021, and students must have SPID to check the ranking lists or ask for a Temporary Login Code 2021/22.

**b. Students without Edisu PIN or SPID code**

These students must:

1. register to EDISU Online Services with an **Temporary Login Code 2021/22**<sup>36</sup>;
2. fill out the application form;
3. print the application form;
4. sign the application form;
5. attach the following documents in PDF:
  - a) Application form, signed by the student;
  - b) Front/back copy of a valid ID document, in black and white, scanned on a single sheet;

Attachments different from .PDF format are not accepted (e.g. JPG,BTM) even in case the extension of the file has been converted (e.g. from .DOC into .PDF) and even if the transmission results successful.

In case the student is going to attach a file which is not in .PDF format, the file will result as damaged, hence unreadable. Therefore, the application is not acceptable.

The document needs to be entirely scanned, signature and each other part must be readable. Unreadable images must not be uploaded (e.g thumbnails or distorted images).

The identity document must be scanned in its front-back. All files need to be correctly saved as .PDF and their dimension must not exceed 1 MB.

- **Deadline for scholarship and accommodation application: 2 September 2021 at noon (Italian time)**

- b. the "ISEE Parificato" attestation, calculated by a CAAF Office under agreement with EDISU on the basis of the documents about the family composition, incomes and assets.  
If the CAAF issues two ISEE, the first concerning the student and the second concerning his/her family, they have both to be submitted at EDISU Office.  
If the CAAF is not able to issue the ISEE within the application deadline, students can submit the receipt of its request. The ISEE must be submitted later with a complaint (the complaint deadlines are available below, at chapter "Ranking list");

Students can attach up to 5 files: the files must be in .PDF format, readable and each file must contain the whole documentation of a specific type required (e.g. one file with all the pages of ISEE Parificato, another file with all the pages of the family composition documents in original language and in Italian, another with the all income of the family members and so on...)

If the student cannot meet the above mentioned deadlines, he/she will be excluded from the provisional ranking list. He/she can be set in the definitive ranking list if he/she submit the required and correct documents by the complaint procedure within 15 Sep. 2021 (for scholarship and accommodation application) or within 19 Nov. 2021 (for scholarship only application).

## Receipts

After the transmission of the online application, students will receive a receipt that is an email with subject “**Acquisizione dati via web**”. A second receipt with subject “**Ricezione pratica**” will be sent after the recovery of the application in Edisu’s database. The application can be considered successfully submitted only if the student receives both emails.

Students who provide the ISEE protocol number or DSU protocol number during the compilation phase, will receive a third email with subject “**Ricevuta dati INPS**” **within 48 working hours from the reception of the second email**. This receipt contains all data recovered from INPS database by Edisu. In case Edisu fails to recover any valid ISEE, the reason for invalidity will be specified.

## MODIFICATION, COMPLAINTS, RENOUNCE

After the transmission online of the application, students can change their data with a modification or a complaint, otherwise they can waive their benefits.

### Modification<sup>46</sup>

Students can modify their application exclusively online within the deadlines at noon, with the specific procedures available on their personal pages of Edisu Online Services.

1. **"Data modification"**. This option makes it possible to change the data declared in the application. Four categories of data are available: "Residence/domicile", "Scholastic data", "Merit requirements", "Economic data". The form has to be filled out exclusively with the data to be modified. Data belonging to different categories require separate transmissions, one for each category.
2. **"Add accommodation service application"**: for non-resident students who applied just for the scholarship.
3. **"Delete the accommodation service application"**: for non-resident students who applied for scholarship and accommodation, but do not want to apply anymore for the accommodation: in this way it will be possible to maintain the scholarship's amount for non-resident students, not including the monetary value of the accommodation service<sup>47</sup>.
4. **"Add the application for the first year of master degree"**: for students who applied just for the seventh semester of bachelor degree, but have the requirements for the submission of an application of seventh semester of bachelor and first year of master degree.

The modification is correctly transmitted if and only if, after the transmission, two mails are sent to the student (the first with the category of modification, the second with object "Data modification receipt"). The outcome of the modification will be available with the publication of the provisional classification list.

### Complaints<sup>48</sup>

After the deadlines for the submission of the application, students can change their data with a complaint, exclusively online, with the specific procedure available on their personal pages of Edisu Online Services.

Complaints must be submitted after the publication of the provisional ranking lists, during the complaint period, within the timeframe specified at section "Ranking list". Both eligible and excluded students can make a complaint, and excluded students must consider all the exclusion causes. Six categories of complaint are available: "Completion of the enrolment", "University data", "Merit requirements", "Economic data", "Pending financial obligations with Edisu", "Other". Students must select a category, fill out the form exclusively with the data to be modified and transmit it online. Students who have to make complaints belonging to different categories must transmit a complaint for each category. The complaint can be considered as successfully transmitted only if, after the transmission, the student receives two emails (the first one stating the category of complaint, the second one with subject "Complaint receipt"). The outcome of the complaint will be available at the same time of the publication of the definitive ranking list.

**The complaint for "Renounce of accommodation service" allows students to maintain the scholarship's amount for non-resident students**, this amount does not include the monetary value of the accommodation service. It is possible to maintain this amount only if the student results as "winner" of the **Scholarship**, and provides a house rental contract.

<sup>47</sup> Art. 8 par. 1.2 Notice of Competition 21/22.

## Renounce<sup>49</sup>

From **October the 4<sup>th</sup> 2021** students can renounce their benefits exclusively online, with the specific procedure available on their personal pages of Edisu Online Services. Students who applied for scholarship and accommodation can renounce the accommodation and maintain the scholarship, but if they renounce the scholarship they are obliged to give up the accommodation as well. Students hosted in an EDISU residence who renounce the accommodation must return an amount of money equal to the value of the accommodation enjoyed. The renounce is correctly transmitted only if, after the transmission, the student receives two emails (the first one with subject "Benefits renounce 2021/22, the second one with subject "Renounce receipt"). The outcome of the renounce will be notified by email.

## CONSULAR DOCUMENTS ASSESMENT AND INTEGRATION<sup>51</sup>

### Consular documents assessment

EDISU will check the consular documents submitted by students and will notify the accuracy of the documentation according to the type of the submission:

- **Submission to EDISU desk offices by the student itself or a trusted person**

EDISU will immediately notify the student or the person on his/her behalf about the accuracy of the documents and will give the information about the lack of documentation he/she needs to integrate.

- **Submission by courier or *raccomandata con ricevuta di ritorno***

The documents should be sent within the application deadlines. If the student is excluded by the provisional ranking list because EDISU did not received the documents within the provisional ranking list elaboration, he/she can be set in the definitive ranking list if EDISU receives the documents (complete and correct) within the complaint deadlines.

EDISU will notify the students by sending an email to the address he/she wrote in the application. The email is only to notify that EDISU completed the documents check: the students must check the outcomes on their personal page of EDISU website where they can find information about the lack of documentation they need to integrate.

Attention: EDISU cannot guarantee to notify the correctness of the documents in time, especially if documents arrive shortly before the complaint deadlines: therefore, students are invited to send the documentation well in advance, avoiding sending it at the very last moment.

- **Submission by the online upload procedure (available for EU students only)**

EDISU will notify the students by sending an email to the address he/she wrote in the application. The email is only to notify that EDISU completed the documents check: the students must check the outcomes on their personal page of EDISU website where they can find information about the lack of documentation they need to integrate.

If there is any missing documents, students must integrate by filling a complaint.

Attention: EDISU cannot guarantee a prompt publication of the outcomes, especially if the application is transmitted at the very last moment. However, the outcomes will be published by the temporary ranking list publication.

For every benefit, first EDISU publishes **a provisional classification list, then a definitive one.**

2. In the **definitive classification** lists there are **3 kinds of outcome.**
  - a. **WINNER:** these students meet the requirements and obtain the benefit.
  - b. **ELIGIBLE:** these students meet the requirements, but they cannot obtain the benefit because of the exhaustion of the available resources.
  - c. **EXCLUDED:** these students do not meet the requirements or they did not make a complaint after the exclusion from the provisional classification list, so they cannot obtain the benefit.

The **classification lists** are published in the **following dates.**

Extra-EU students enrolled in first years coming in Italy with a study visa for the enrollment 2021/22: see the table at pp. 20-21 for the related ranking lists.

### Ranking list criteria

Scholarship amounts firstly are divided proportionally among the universities<sup>54</sup> and then they are shared as following:

- 15% for first year students (standard application)
- 85% for successive year students merit confirmation application, first year students merit confirmation application and successive year students standard application

#### First year students:

For first year students the ranking lists are divided by University and degree level (bachelor's degree, master's degree, single cycle master's degree), without considering the different departments.

Within each level the ranking list is sorted in increasing ISEE Universitario values and in the event of equal values, the younger student comes first.

Regarding the accommodation service, its ranking lists are divided in the same way and at least one bed place is provided for each University.

15% of the accommodations of first year students are reserved to Extra-EU students, whose families reside in an Extra-EU country enrolled in first years<sup>55</sup>.

#### Successive year students:

For successive year students, the ranking lists are sorted by the following priority order<sup>56</sup>:

- **Successive years confirmation for merit.** The ranking list is sorted in decreasing score order. In the event of equal scores, the student with a lower ISEE value comes first and in the event of equal values, the younger student comes first.
- **First year of master's degree confirmation for merit.** The ranking list is sorted in increasing ISEE Universitario (or Parificato) values and in the event of equal values, the younger student comes first.
- **Successive years standard application.** The ranking list is sorted in increasing ISEE Universitario (or Parificato) values and in the event of equal values, the younger student comes first.

Regarding the accommodation service, its ranking lists are divided in the same way and at least one bed place is provided for each University.

The **Merit score** is calculated by multiplying credits for marks of each exam you took and then by adding all the partials.

The **Ranking list score** is the score used to determine the position of the student in the ranking lists. It is obtained by multiplying merit score for number of years of enrolment decreased by a unit (e.g. for second year students, the ranking list score is the same of the merit one; for third year students, the ranking list score is the merit score divided for two, for seventh semester it will be divided for three and so on).

EDISU will consider the average of student's exams as the mark of the "idoneità" (i.e. exams without any marks). "Lode" is not considered for the score.

<sup>54</sup> Art. 1 par. 4 Notice of Competition 21/22.

<sup>55</sup> Art. 11 par. 1 Notice of Competition 21/22.

<sup>56</sup> Art. 16 par. 1 Notice of competition 21/22.

### Seventh semester of bachelor degree and first year of master degree:

Concerning the seventh semester application, the ranking list will follow successive year student's criteria.

Concerning the first year of master application, the ranking list will follow first year student's criteria.

Students who win the accommodation in seventh semester ranking list and are ELEGIBLE or WINNER of accommodation in first year of master ranking list (17 February 2022 or 13 May 2022), they maintain the accommodation until 31 March 2022. After 31 March 2022, the accommodation will be assigned again.

## ACCOMMODATION:

### ACCEPTANCE, EXPRESSION OF INTEREST, ASSIGNATION

After the publication of the accommodation's definitive ranking list on 21 Sep. 2021, **students must accept it online or declare their interest.**

#### Online acceptance (for winner students)<sup>57</sup>

Only winner students have to do the online acceptance. The procedure is available on the student's personal page of EDISU Online Services in the following period.

Winners, first years and successive years

From 21 to 24 September 2021 at noon

When compiling the acceptance procedure, students must select one of the following options:

1. I accept
2. I accept, with Option "Erasmus": Students have to specify the duration of the mobility project, comprised between 1 October 2021 and 30 September 2022 only. In any case, students will be assigned the accommodation.
3. I accept, with Option "Renato Einaudi" (only for students who have won the accommodation service with the association "Renato Einaudi")
4. I refuse

During the compilation of the acceptance procedure, students must rank all Edisu residences displayed according to their preferences.

In case of **Erasmus** it will be necessary to indicate the **dates related to the period of stay**, specifying the date of return: these dates **must be comprised between 1 October 2021 and 30 September 2022**. Periods preceding 1 October 2021 and following 30 September 2022 cannot be considered. Please note that period of stay abroad cannot be related to a mobility project for the academic year 2022-2023.

Students will be hosted in the residence when returned and they will get a monthly amount of 227,27 € for every month spent abroad (only for winners of scholarship; the payment will be included in the scholarship installments).

**If the mobility project lasts 8 months** or more (5 months for last semester students), students must submit the declaration of house rental (see the chapter "DECLARATION OF HOUSE RENTAL") in order to receive the scholarship amount comprehensive of the monetary value of the accommodation service.

In case of **Option Renato Einaudi**, it is not possible to be hosted in Edisu residences.

---

<sup>57</sup> Art. 33 par. 1 Notice of Competition 21/22.

Furthermore, it is necessary to fill out any other field that is not already precompiled (personal data, residence permit or receipt of the application for residence permit,) and accept the related regulation: these steps are necessary to be assigned to an accommodation.

**The online acceptance can be considered as successfully transmitted only if the students receive the email message with the PDF attached.** This receipt is available in the Personal Page in Online Services, section "Receipts".

If the student makes any mistakes, it will be possible to **fill out the "online modification of data"** within the deadlines to submit the acceptance.

Failure in compiling and transmitting the online acceptance within noon (12:00) on the day of expiry, is considered like a refusal of accommodation service: for this reason, students will be considered as "renouncer of accommodation" (art. 5 par. 1.1), even if the failure in submission is due to reasons of force majeure (e.g. problems linked to internet connection or terminal in use).

Students **refusing the accommodation during the acceptance phase or failing to transmit the online procedure**, will be considered as "Resident students" in order to determine the scholarship's amount.

### Expression of interest (for eligible students)<sup>58</sup>

Students who result eligible in the accommodation definitive classification lists have to express their interest in an accommodation exclusively online. The expression of interest procedure is available on the student's personal page of EDISU Online Services in the following period.

Eligible, first years and successive years

From 21 September to 24 September 2021 at noon

In the expression of interest, five options are available:

1. I'm interested;
2. I'm not interested;
3. I'm interested with option "Erasmus" (for students who are going to attend an international mobility project. Students have to specify the duration of the mobility project, comprised between 1 October 2021 and 30 September 2022 only)<sup>59</sup>;
4. I'm interested with option "Collegio Renato Einaudi"<sup>60</sup>.

Students who select **the option "I'm interested"** or the **option "I'm interested with option Erasmus"** must rank all Edisu residences displayed inside the procedure, according to their preferences. They will be assigned with the accommodation in one of the residences still available, after all the winners have accepted first. Before the online transmission, inside the procedure it is necessary to fill out any other field that is not already precompiled (personal data, residence permit or receipt of the application for residence permit,) and accept the related regulation: these steps are necessary to be assigned to an accommodation.

Students selecting the option **"I'm not interested"** during the expression of interest phase or failing to compile and transmit the procedure, will be considered as "Resident students" in order to determine the scholarship's amount

The outcome of the expression of interest will be published on the student's personal page of EDISU Online Services on **29 September 2021**.

## ECONOMIC AND MERIT ASSESSMENTS<sup>70</sup>

In order to assess enrolment, merit condition, student's career, internal transfers, or transfer-outs, Edisu carries out assessments jointly with Universities, involving all the self-certifications produced by students. Assessments concern enrolment in a.y. 2021/2022, the year of first enrolment, and the minimum amount of credits declared, any eventual internal transfer of courses, and even any withdrawal from studies, even in previous academic careers. **Assessments will start from the deadline for the application, and will finish with the payment of scholarship's second instalment. It is possible, in any case, to carry out further assessments after the payment of the second instalment of scholarship, even in case of communication received by Universities.**

Following the assessment on the absence of merit requirements in order to maintain the first instalment of scholarship, and an eventual anticipation on the amount of the second instalment received, Edisu can revoke the benefits with a special provision, the eligibility condition, the reimbursement of the regional tax, and the exemption from the payment of tuition and fees.

According to art. 8 par. 1 and 2 of Law n° 241 7 August 1990, **EDISU assesses merit requirements needed to maintain the first instalment of scholarship, accommodation service benefited, and eligibility. This assessment involving first-years students will start on 30 January 2023 and will finish within 30 June 2023.**

In case of positive outcome of the assessment, the student will receive a communication noticing the positive outcome in the personal page of Online Services, section "Assessments/Revocations" (Accertamenti/Revoche). No other communication will be sent to students to inform about the outcome of the assessment.

In case the absence of merit is assessed, procedures refer to regulations specified in art. 39 par. 3 of 2020/2021 Notice of competition, Restituzione benefici.

It is a reason for revocation of benefit (as in art. 3 of 2021/2022 Notice of competition "Condizioni di non ammissione" and "Condizioni di Esclusione") the absence of requirements, following the assessments that can be carried out even after the publication of the ranking lists, as specified in art. 35 par. 2 "Revoca del servizio abitativo" or being involved in a disciplinary action such as suspension, from the University.

Concerning the assignees of accommodation service, it is furthermore a reason for revocation of accommodation service and eventually scholarship, being involved in a disciplinary action for the a.y. 2021/2022 according to articles 13, 17, and 18 of "Regolamento Interno Residenze Universitarie".

EDISU will control the situation of students **who confirm their economic data**: if there is any difference between the confirmed data and the data submitted to the university or in the INPS database, EDISU will impose a fine on those students. The fine is due even if the recalculated ISEE does not exceed the thresholds<sup>71</sup>.

<sup>71</sup> Art. 44 Notice of Competition 21/22.

## FOOD SERVICE

EDISU canteens are open to all the students and pay special attention to the quality and variety of the menu. If no canteen is available near the course location, alternative services under agreement with EDISU are a valid solution. The tariffs (full or discounted) vary according to the student's economic condition.

**The scholarship application include the restaurant service automatically: winners can access to our canteens or alternative services and pay their meals with a discounted price (€ 2,50 full meal)<sup>72</sup>.**

More information are available on EDISU website, section "Food service".
