Should the required disclosure relate to a matter to be considered during a closed meeting, the member shall disclose the conflict during the closed meeting. A schedule shall be established for conducting each phase of a complaint that is under the control of the Council not later than the 30th day after the date the complaint is received. The schedule shall be kept in the information file of the complaint, and all parties shall be notified of the projected time requirements for pursuing the complaint. A change in the schedule must be noted in the complaint information file, and all parties to the complaint must be notified in writing not later than the seventh day after the date the change is made.
- (c) The Council may accept, but is not obligated to investigate, a complaint that lacks sufficient information to identify the source or the name of the person who filed the complaint.
- (d) A complainant may explain the allegations made in the complaint by attaching or including with the complaint any evidence the complainant believes is relevant to a determination of the allegations, including written statements or communications, medical or mental health records, recordings, photographs, or other documentary evidence.
- (e) A review will be conducted upon receipt of a complaint to determine if the Council has jurisdiction over the complaint, and if so, whether the complaint states an allegation which, if true, would constitute a violation of the Council's rules or other law within the jurisdiction of the Council.

- (f) Complaints that do not state a violation of a law within the jurisdiction of the Council shall be dismissed. If the complaint alleges a violation of a law within the jurisdiction of another agency, the complaint will be referred to that agency as required or allowed by law.

- (i) Following completion of the investigation, an investigation report shall be drafted. This report shall include a recommendation as to whether the investigation has produced sufficient evidence to establish probable cause that a violation has occurred.
- (j) The Enforcement Division Manager (or the manager's designee) and legal counsel shall review the investigation report to determine if there is probable cause that a violation occurred.
- (k) A complaint for which the staff determines probable cause exists shall be referred for an informal conference by agency staff or a member board's Disciplinary Review Panel. Agency staff shall send the respondent notice of the date and time of the informal conference.
- (l) A complaint for which staff or a Disciplinary Review Panel determines that probable cause does not exist shall be referred for dismissal.

An informal disposition may be made of any

- complaint by stipulation, conditional letter of agreement, agreed or consent order, or dismissal.
- (b) Agency staff may conduct an informal conference if counsel for the agency reasonably believes that expert testimony is not required to prove a violation of a standard of care or the scope of practice for the profession. Agency staff shall exercise reasonable control over the mode and order of the appearance by the parties, the presentation of witnesses and evidence, and the overall order and decorum during the proceedings. Complainants and respondents will be provided an opportunity to be heard by staff, at a time separate and apart from the other.
 - (c) A Disciplinary Review Panel shall consist of not more than three board members selected by the member board. The panel shall confer with each other and select a chair for the informal conference. The panel chair shall exercise reasonable control over the mode and order of the appearance by the parties, the presentation of witnesses and evidence, and the overall order and decorum during the proceedings. Complainants and respondents will be provided an opportunity to be heard by the panel, at a time separate and apart from the other.
 - (d) Complainants and respondents may appear with legal counsel at informal conferences and shall be provided with an opportunity to present witnesses and any evidence they believe is relevant to a determination of the allegations, including written statements or communications, medical or mental health records, recordings, photographs, or other documentary evidence.
 - (e) Complainants and respondents are encouraged to attend informal conferences, but attendance is voluntary.
 - (1) Failure by a respondent to attend an informal conference does not constitute professional misconduct or failure to cooperate with a Council investigation, but a respondent is not entitled to a new or additional informal conference if agency staff or the panel makes a disciplinary recommendation regarding the licensee in absentia.
 - (2) Failure by a complainant to attend an informal conference may result in a recommendation for dismissal of the complaint.
 - (f) A complaint which is not dismissed or resolved by agreement following an informal conference, shall be filed as a contested case with the State Office of Administrative Hearings.
 - (g) An attorney for the agency must be present at all informal conferences.

- (a) The Council must approve and enter all final orders following a contested case before SOAH or where no agreement exists between the agency and the respondent regarding the disposition of a contested enforcement related matter. However, each member board shall be responsible for reviewing complaints involving the standard of care, ethical guidelines, or scope of practice following a contested case before SOAH and making a recommendation to the Council regarding the final disposition. A recommendation from a member board must include any recommended modifications to the findings of fact and conclusions of law in the PFD, as well as the recommended sanction. A proposed final order reflecting a member board's recommendations shall satisfy the requirements of this rule.
- (b) The Council shall review recommendations from member boards for anti-competitive impacts, administrative consistency, and good governance concerns. The Council may not substitute its judgment in contested enforcement matters for that of a member board where, in the Council's determination, none of the aforementioned concerns are present.
- (c) The Council may solicit input from and request the assistance of a member board when considering a contested enforcement matter if there are concerns about the standard of care or ethical practice shown by a licensee. The Council may specify the format of the input and assistance requested to satisfy the requirements of this rule.
- (d) Each member board is authorized to dismiss complaints and approve and enter agreed final orders and informal dispositions; Council ratification is not required. The Executive Director shall report the number of dismissals and agreed orders entered under this rule at Council meetings.
- (e) Disposition by the Executive Director.
 - (1) The Executive Director is authorized to:

- (A) dismiss a complaint if the investigator and legal counsel agree that a violation did not occur or that the agency lacks jurisdiction over the complaint;
 - (B) dismiss a complaint recommended for dismissal by a Disciplinary Review Panel;
 - (C) dismiss a complaint following a contested case hearing before SOAH where the ALJ finds no violation of the law has occurred;

- (f) Any person who files a complaint will be notified of the disposition of the complaint. A person who filed a complaint that is dismissed will be notified of the dismissal by letter and the letter will reflect the legal basis or reason for the dismissal. A person who filed a complaint resulting in disciplinary action will be sent a copy of the Council's final order.

- (a) Purpose. These disciplinary sanction guidelines are designed to provide guidance in assessing sanctions for violations of the Occupations Code, Chapter 507, and the Council's rules. The purpose of disciplinary sanctions is to protect the public, deter future violations, offer opportunities for rehabilitation if

appropriate, punish violators, and deter others from violations. These guidelines are intended to promote consistent sanctions for similar violations, facilitate timely resolution of cases, and encourage settlements.

- (1) Single Violation. The standard disciplinary sanctions outlined in the applicable schedule of sanctions shall apply to cases involving a single violation, and in which there are no aggravating or mitigating factors.
 - (2) Multiple Violations. The Council may impose more severe or restrictive sanctions for multiple violations.

 - (6) Each violation constitutes a separate offense, even if arising out of a single act.
 - (7) Failure to list a specific violation or Council rule in this rule does not prevent the Council from taking disciplinary action for such a violation.
 - (8) If a sanction for a violation of state or federal law is not listed in this rule, or specifically stated elsewhere, the sanction shall be a reprimand and administrative penalty.
 - (9) Notwithstanding paragraph (8) of this subsection, the Council will evaluate and determine the appropriate sanction for a licensee with a qualifying criminal conviction in accordance with §53.021 of the Occupations Code.
 - (10) The Council may combine an administrative penalty with another standard disciplinary sanction to protect the public or deter future violations.
- (b) Standard Disciplinary Sanctions. The Council may impose the following disciplinary sanctions which are listed in descending order of severity:

884.21. Assessment of Sanction. The Council, subject to §507.306 of the Occupations Code, has the exclusive authority to assess sanctions against licensees who are found to have violated a law within its jurisdiction. While the Council will consider an ALJ's recommendations as to the sanctions to be imposed, it is not bound by such recommendations. The appropriate sanction is not a proper finding of fact or conclusion of law, and the determination of the

appropriate sanction is reserved to the Council based upon the relevant schedule of sanctions and record in a contested case.

Subchapter E. License Suspension.

884.40. Temporary Suspension of a License.

- (a) In accordance with §507.302 of the Occupations Code, a license shall be temporarily suspended when the Council or an executive committee of the Council determines that the continued practice by a licensee (respondent) would constitute a continuing and imminent threat to the public welfare.
- (b) An executive committee of the Council shall convene as follows:
 - (1) For each temporary suspension proceeding, the Council shall appoint a three-member executive committee, called a "suspension panel," to consider the information and evidence presented by agency staff. The suspension panel must have at least one member from the same profession as the respondent and a majority of members from the respondent's member board. The suspension panel shall confer with each other and name a chair of the suspension panel.
 - (2) In the event of the recusal of a suspension panel member or the inability of a suspension panel member to attend a temporary suspension proceeding, the presiding officer for the Council may appoint an alternate council member to serve on the suspension panel.
 - (3) The suspension panel may convene in-person or via telephone, video conference, or other electronic means.
- (c) Temporary Suspension Hearing. The meeting at which the suspension panel considers a temporary suspension is a temporary suspension hearing. At the temporary suspension hearing, agency staff shall present evidence and information to the suspension panel that the continued practice by a person licensed by the Council would constitute a continuing and imminent threat to the public welfare. Notice of the temporary suspension hearing shall be sent to the respondent no less than 10 days before the hearing by personal service or by registered or certified mail.
- (d) Order of Temporary Suspension. If a majority of the suspension panel votes to temporarily suspend a license, the suspension shall have immediate effect, and the chair of the suspension panel will sign an Order of Temporary Suspension.

The Order of Temporary Suspension shall include a factual and legal basis establishing imminent peril to the public health, safety, or welfare, as required by §2001.054(c-1) of the Government Code. The Order shall be sent to the respondent by first-class mail or email.

- (e) Temporary Suspension Without Notice. In accordance with §507.302(b) of the Occupations Code, a license may be suspended without notice to the respondent if at the time of the suspension, agency staff request a hearing before SOAH to be held as soon as practicable but no later than 14 days after the date of the temporary suspension. The hearing is referred to as the "probable cause hearing."
- (f) Notice, Continuance, and Waiver of Probable Cause Hearing. Agency staff shall serve notice of the probable cause hearing upon the respondent in accordance with SOAH's rules. The respondent may request a continuance or waiver of the probable cause hearing. If the ALJ grants the continuance request or the respondent waives the probable cause hearing, the suspension remains in effect until the suspension is considered by SOAH at the continued probable cause hearing or at the final hearing. If the probable cause hearing is not held within 14 days and the respondent did not request a continuance or waive the probable cause hearing, the suspended license is reinstated.
- (g) Probable Cause Hearing. At the probable cause hearing, an ALJ shall determine whether there is probable cause to continue the temporary suspension of the license and issue an order on that determination.
- (h) Final Hearing. The State Office of Administrative Hearings shall hold a hearing no later than 61 days from the date of the temporary suspension. At this hearing, agency staff shall present evidence supporting the continued suspension of the license and may present evidence of any additional violations related to the licensee. This hearing is referred to as the "final hearing."
- (i) Notice and Continuance of Final Hearing. Agency staff shall send notice of the final hearing in accordance with SOAH's rules. The respondent may request a continuance or waive the final hearing. If a final hearing is not held within 61 days of the date of the temporary suspension and the respondent did not request a continuance or waive the final hearing, the license is reinstated.
- (j) Proposal for Decision. Following the final hearing, the ALJ shall issue a PFD on the suspension. The PFD may also address any other additional violations related to the licensee.

- (k) A temporary suspension takes effect immediately and shall remain in effect until:
 - (1) a final or superseding order of the Council is entered;
 - (2) the ALJ issues an order determining that there is no probable cause to continue the temporary suspension of the license; or
 - (3) a SOAH hearing is not timely held.

 - (1) enter an order of suspension of the license;
 - (2) report the suspension as appropriate; and
 - (3) demand surrender of the suspended license.
- (b) The Council shall implement the terms of an order suspending a license without additional review or hearing. The Council will provide notice of suspension as appropriate to the licensee and others concerned with the license.
- (c) The Council may not modify, remand, reverse, vacate, or stay an order suspending a license issued under Chapter 232 of the Family Code and may not review, vacate, or reconsider the terms of a final order suspending the license.
- (d) A licensee who is the subject of a court order or order from a Title IV-D agency suspending the individual's license is not entitled to a refund for any fee paid to the Council.
- (e) If a suspension overlaps a license renewal period, an individual with a license suspended under this section shall comply with the normal renewal procedures.
- (f) An individual who continues to engage in the practice of marriage and family therapy, professional counseling, psychology, or social work after the implementation of the order suspending the individual's license is liable for the same civil and criminal penalties provided for engaging in the licensed activity without a license or while a license is suspended.
- (g) On receipt of a court order or order from a Title IV-D agency vacating or staying an order suspending a license, the Executive Director shall promptly issue the affected license to the individual if the individual is otherwise qualified for the license.

- (h) The individual must pay a reinstatement fee in an amount equal to the renewal fee for the license prior to issuance of the license.

Subchapter F. Special Provisions For Persons Licensed To Practice Psychology.

884.50. Competency Evaluations under Chapter 501 of the Occupations Code.

- (a) In accordance with §501.158 of the Occupations Code, based upon the Council's reasonable belief that an applicant or person licensed under Chapter 501 is not physically or mentally competent to provide psychological services with reasonable skill and safety to patients or has a physical or mental disease or condition that would impair the person's competency to provide psychological services, the Council may request the person submit to:
 - (1) a physical examination by a physician approved by the Council; or
 - (2) a mental examination by a physician or psychologist approved by the Council.
- (b) The Council may carry out its functions under this rule by and through an executive committee of the Council, which may convene as follows:
 - (1) For each competency evaluation proceeding, the Council may appoint a three-member executive committee, called a "competency evaluation panel," to issue requests for physical or mental examinations, conduct show cause hearings, and issue orders determining whether a person's failure to submit to an examination was justified or unjustified. The competency evaluation panel must consist of a majority from TSBEP with at least one member holding the same license as the respondent. The competency evaluation panel shall confer with each other and name a chair for the panel.
 - (2) In the event of the recusal of a competency evaluation panel member or the inability of a panel member to attend a competency evaluation proceeding, the presiding officer for the Council may appoint an alternate council member to serve on the competency evaluation panel.

- (3) The competency evaluation panel may convene in-person or via telephone, video conference, or other electronic means.
- (c) If the person should refuse, ignore, or fail to comply with the Council's request, the Council shall issue an order requiring the person to show cause for the person's refusal at a hearing on the order scheduled for not later than the thirtieth (30) day after the date the notice is served on the person. Notice shall be provided by either personal service or by registered mail, return receipt requested. The meeting at which the Council considers a person's failure to comply with an examination request is a "show cause hearing." Subchapter D. Schedule of Sanctions.

681.201. Purpose of this Subchapter. This schedule of sanctions as adopted by the Act §503.2015(2).

Adopted to be effective: November 19, 2020

681.203. Severity Levels for the Schedule of Sanctions.

- (a) The following are the severity levels for the schedule of sanctions:
 - (1) Level One--revocation of license. These violations evidence intentional or gross misconduct on the part of the licensee and/or cause or pose a high degree of harm to the public and/or require severe punishment as a deterrent to the licensee, or other licensees. The fact that a license is ordered revoked does not necessarily mean the licensee can never regain licensure.
 - (2) Level Two--extended suspension of license. These violations involve less misconduct, harm, or need for deterrence than Level One violations, but may require termination of licensure for a period of not less than one year.
 - (3) Level Three--moderate suspension of license. These violations are less serious than Level Two violations, but may require termination of licensure for a period of time less than a year.
 - (4) Level Four--probated suspension of license. These violations do not involve enough harm, misconduct, or need for deterrence to warrant termination of licensure, yet are severe enough to warrant monitoring of the licensee to ensure future compliance. Probationary terms may be ordered as appropriate.
 - (5) Level Five--reprimand. These violations involve inadvertent or relatively minor misconduct and/or rule violations.
- (b) Licensees who are in violation of a Council rule in this chapter may be subject to an administrative penalty of up to \$5,000 per violation, per day of occurrence, and/or be required to refund all or a portion of the fees received from a consumer.

- (c) Supervisors who are in violation of a Council rule in this chapter may be subject to an administrative penalty of up to \$5,000 per violation, per day of occurrence, and/or be required to refund all or a portion of the fees received by the supervisor to his or her LPC Associate(s).

Adopted to be effective: November 19, 2020

681.204. Other Actions. Complaints may be resolved by issuance of a warning letter or a conditional letter of agreement, which does not involve a formal disciplinary action.

- (1) Warning letters inform licensees of their duties under the Act, the Council Act, or council rules, and whether the council has a concern about the circumstances surrounding the complaint.
- (2) A conditional letter of agreement informs the licensee of the licensee's duties under the Act, the Council Act, or Council rules, whether the conduct or omission complained of appears to violate such duties, and creating Council ordered conditions for the long-term resolution of the issues in the complaint. This conditional letter of agreement specifies the immediate disposition of the complaint. The licensee is issued the conditional letter of agreement by staff; and a signature of agreement by the licensee is required. If the licensee fails to comply with all the Council ordered conditions in the specified time frame outlined in the conditional letter agreement, staff will open a new complaint arising out of non-compliance with the conditional letter agreement or the underlying conduct.

TEXAS HEALTH AND SAFETY CODE

Chapter 611. Mental Health Records

§611.001. Definitions. In this chapter:

- (1) "Patient" means a person who consults or is interviewed by a professional for diagnosis, evaluation, or treatment of any mental or emotional condition or disorder, including alcoholism or drug addiction.
- (2) "Professional" means:
 - (A) a person authorized to practice medicine in any state or nation;
 - (B) a person licensed or certified by this state to diagnose, evaluate, or treat any mental or emotional condition or disorder; or
 - (C) a person the patient reasonably believes is authorized, licensed, or certified as provided by this subsection.

§611.002. Confidentiality of Information and Prohibition Against Disclosure.

- (a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.
- (b) Confidential communications or records may not be disclosed except as provided by Section 611.004, 611.0041 or 611.0045.
- (b-1) No exception to the privilege of confidentiality under Section 611.004 may be construed to create an independent duty or requirement to disclose the confidential information to which the exception applies.
- (c) This section applies regardless of when the patient received services from a professional.

§611.003. Persons Who May Claim Privilege of Confidentiality.

- (a) The privilege of confidentiality may be claimed by:
 - (1) the patient;
 - (2) a person listed in Section 611.004(a)(4) or (a)(5) who is acting on the patient's behalf; or
 - (3) the professional, but only on behalf of the patient.

- (b) The authority of a professional to claim the privilege of confidentiality on behalf of the patient is presumed in the absence of evidence to the contrary.

§611.004. Authorized Disclosure on Confidential Information Other Than in Judicial or Administrative Proceeding.

- (a) A professional may disclose confidential information only:
 - (1) to a governmental agency if the disclosure is required or authorized by law;
 - (2) to medical, mental health, or law enforcement personnel if the professional determines that there is a probability of imminent physical injury by the patient to the patient or others or there is a probability of immediate mental or emotional injury to the patient;
 - (3) to qualified personnel for management audits, financial audits, program evaluations, or research, in accordance with Subsection (b);
 - (4) to a person who has the written consent of the patient, or a parent if the patient is a minor, or a guardian if the patient has been adjudicated as incompetent to manage the patient's personal affairs;
 - (5) to the patient's personal representative if the patient is deceased;
 - (6) to individuals, corporations, or governmental agencies involved in paying or collecting fees for mental or emotional health services provided by a professional;
 - (7) to other professionals and personnel under the professionals' direction who participate in the diagnosis, evaluation, or treatment of the patient;
 - (8) in an official legislative inquiry relating to a state hospital or state school as provided by Subsection (c);
 - (9) to designated persons or personnel of a correctional facility in which a person is detained if the disclosure is for the sole purpose of providing treatment and health care to the person in custody;
 - (10) to an employee or agent of the professional who requires mental health care information to provide mental health care services or in complying with statutory, licensing, or accreditation requirements, if the professional has taken appropriate action to ensure that the employee or agent:
 - (A) will not use or disclose the information for any other purposes; and

- (B) will take appropriate steps to protect the information; or
- (11) to satisfy a request for medical records of a deceased or incompetent person pursuant to Section 74.051(e), Civil Practice and Remedies Code.
- (a-1) No civil, criminal, or administrative cause of action exists against a person described by Section 611.001(2)(A) or (B) for the disclosure of confidential information in accordance with Subsection (a)(2). A cause of action brought against the person for the disclosure of the confidential information must be dismissed with prejudice.
- (b) Personnel who receive confidential information under Subsection (a)(3) may not directly or indirectly identify or otherwise disclose the identity of a patient in a report or in any other manner.
- (c) The exception in Subsection (a)(8) applies only to records created by the state hospital or state school or by the employees of the hospital or school. Information or records that identify a patient may be released only with the patient's proper consent.
- (d) A person who receives information from confidential communications or records may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the person first obtained the information. This subsection does not apply to a person listed in Subsection (a)(4) or (a)(5) who is acting on the patient's behalf.

611.0041. Required Disclosure of Confidential Information Other Than in Judicial or Administrative Proceeding.

- (a) In this Section:
 - (1) "Patient" has the meaning assigned by §552.0011.
 - (2) "State hospital" has the meaning assigned by §552.0011.
- (b) To the extent permitted by federal law, a professional shall disclose confidential information to the descendant of a patient of a state hospital if:
 - (1) the patient has been deceased for at least 50 years; and
 - (2) the professional does not have information indicating that releasing the medical record is inconsistent with any prior expressed preference of the deceased patient or personal representatives of the deceased patient's estate.

- (c) A person who receives information from confidential communications or records may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the person first obtained the information.

§611.0045. Right to Mental Health Record.

- (a) Except as otherwise provided by this section, a patient is entitled to have access to the content of a confidential record made about the patient.
- (b) The professional may deny access to any portion of a record if the professional determines that release of that portion would be harmful to the patient's physical, mental, or emotional health.
- (c) If the professional denies access to any portion of a record, the professional shall give the patient a signed and dated written statement that having access to the record would be harmful to the patient's physical, mental, or emotional health and shall include a copy of the written statement in the patient's records. The statement must specify the portion of the record to which access is denied, the reason for denial, and the duration of the denial.
- (d) The professional who denies access to a portion of a record under this section shall redetermine the necessity for the denial at each time a request for the denied portion is made. If the professional again denies access, the professional shall notify the patient of the denial and document the denial as prescribed by Subsection (c).
- (e) If a professional denies access to a portion of a confidential record, the professional shall allow examination and copying of the record by another professional if the patient selects the professional to treat the patient for the same or a related condition as the professional denying access.
- (f) The content of a confidential record shall be made available to a person listed by Section 611.004(a)(4) or (5) who is acting on the patient's behalf.
- (g) A professional shall delete confidential information about another person who has not consented to the release, but may not delete information relating to the patient that another person has provided, the identity of the person responsible for that information, or the identity of any person who provided information that resulted in the patient's commitment.

- (h) If a summary or narrative of a confidential record is requested by the patient or other person requesting release under this section, the professional shall prepare the summary or narrative.
- (i) The professional or other entity that has possession or control of the record shall grant access to any portion of the record to which access is not specifically denied under this section within a reasonable time and may charge a reasonable fee.
- (j) Notwithstanding Section 159.002, Occupations Code, this section applies to the release of a confidential record created or maintained by a professional, including a physician, that relates to the diagnosis, evaluation, or treatment of a mental or emotional condition or disorder, including alcoholism or drug addiction.
- (k) The denial of a patient's access to any portion of a record by the professional or other entity that has possession or control of the record suspends, until the release of that portion of the record, the running of an applicable statute of limitations on a cause of action in which evidence relevant to the cause of action is in that portion of the record.

§611.005. Legal Remedies for Improper Disclosure or Failure to Disclose.

- (a) A person aggrieved by the improper disclosure of or failure to disclose confidential communications or records in violation of this chapter may petition the district court of the county in which the person resides for appropriate relief, including injunctive relief. The person may petition a district court of Travis County if the person is not a resident of this state.
- (b) In a suit contesting the denial of access under Section 611.0045, the burden of proving that the denial was proper is on the professional who denied the access.
- (c) The aggrieved person also has a civil cause of action for damages.

§611.006. Authorized Disclosure of Confidential Information in Judicial or Administrative Proceeding.

- (a) A professional may disclose confidential information in:
 - (1) a judicial or administrative proceeding brought by the patient or the patient's legally authorized representative against a professional, including malpractice proceedings;

- (2) a license revocation proceeding in which the patient is a complaining witness and in which disclosure is relevant to the claim or defense of a professional;
 - (3) a judicial or administrative proceeding in which the patient waives the patient's right in writing to the privilege of confidentiality of information or when a representative of the patient acting on the patient's behalf submits a written waiver to the confidentiality privilege;
 - (4) a judicial or administrative proceeding to substantiate and collect on a claim for mental or emotional health services rendered to the patient;
 - (5) a judicial proceeding if the judge finds that the patient, after having been informed that communications would not be privileged, has made communications to a professional in the course of a court-ordered examination relating to the patient's mental or emotional condition or disorder, except that those communications may be disclosed only with respect to issues involving the patient's mental or emotional health;
 - (6) a judicial proceeding affecting the parent-child relationship;
 - (7) any criminal proceeding, as otherwise provided by law;
 - (8) a judicial or administrative proceeding regarding the abuse or neglect, or the cause of abuse or neglect, of a resident of an institution, as that term is defined by Chapter 242;
 - (9) a judicial proceeding relating to a will if the patient's physical or mental condition is relevant to the execution of the will;
 - (10) an involuntary commitment proceeding for court-ordered treatment or for a probable cause hearing under:
 - (A) Chapter 462;
 - (B) Chapter 574; or
 - (C) Chapter 593; or
 - (11) a judicial or administrative proceeding where the court or agency has issued an order or subpoena.
- (b) On granting an order under Subsection (a)(5), the court, in determining the extent to which disclosure of all or any part of a communication is necessary, shall impose appropriate safeguards against unauthorized disclosure.

§611.007. Revocation of Consent.

- (a) Except as provided by Subsection (b), a patient or a patient's legally authorized representative may revoke a disclosure consent to a professional at any time. A revocation is valid only if it is written, dated, and signed by the patient or legally authorized representative.
- (b) A patient may not revoke a disclosure that is required for purposes of making payment to the professional for mental health care services provided to the patient.
- (c) A patient may not maintain an action against a professional for a disclosure made by the professional in good faith reliance on an authorization if the professional did not have notice of the revocation of the consent.

§611.008. Request by Patient.

- (a) On receipt of a written request from a patient to examine or copy all or part of the patient's recorded mental health care information, a professional, as promptly as required under the circumstances but not later than the 15th day after the date of receiving the request, shall:
 - (1) make the information available for examination during regular business hours and provide a copy to the patient, if requested; or
 - (2) inform the patient if the information does not exist or cannot be found.
- (b) Unless provided for by other state law, the professional may charge a reasonable fee for retrieving or copying mental health care information and is not required to permit examination or copying until the fee is paid unless there is a medical emergency.
- (c) A professional may not charge a fee for copying mental health care information under Subsection (b) to the extent the fee is prohibited under Subchapter M, Chapter 161.
