Dear Cortlandt Residents,

Over the years we completed many recreation projects with more to come in 2018 and 2019:

1. Softball fields with lights at Sprout Brook Park.
2. An outdoor pavilion at Sprout Brook Park that has a capacity of 200 people.
3. A playground at Sprout Brook Park which is open year round.
4. Expansion of our Muriel H. Morabito Community Center which is off West Brook Drive.
5. A playground at the Community Center which is handicapped accessible.
6. The Christopher Bisordi Memorial Outdoor Basketball Court at the Community Center.
7. Outdoor Bocce Courts and a Horseshoe Facility at the Community Center.
8. Renovation of Charles Cook Pool including a new concrete surface, drainage system, filtration system, bathhouse upgrades, a new playground and "frog slide", landscaping and other amenities. (A 2 million dollar project) and renovation of the swimming lanes was completed in 2006.
9. The Steven Hebert Memorial Skate Park at the Community Center which is off of West Brook Drive.
10. A Roller Hockey Rink adjacent to the New York State Police Headquarters. (Off Route 9A) with lights and a playground.
11. Completion of the Historic Tollhouse for a regional information tourist center. Open on weekends May through October.
12. Community space use (4,000 sq. ft.) at the Cortlandt Town Center is available for rental (Contact our Recreation Department).
13. Steamboat Dock River Park and Overlook in Verplanck are restored and with construction of an outdoor pavilion and a pedestrian trail. We also have plans for the next phases of Broadway Streetscape and new plans for Meahagh Park.
14. The Hudson Highlands Gateway Park (Hill point property) is designed for passive recreation (Trails) off Sprout Brook Road. (352 acres of passive land).
15. Many beautification projects throughout the town. (Flowerbeds, gazebos, plantings and our Veterans Parks)
16. C.U.E. (Cortlandt Upper Teens Entertainment Center) open for all freshman, sophomores, juniors and seniors on Friday and Saturday nights and is supervised by qualified adults.
17. Completed the Oscawana Boat/ Kayak Launch.
18. A playground, tennis courts and basketball court was built off of Croton Avenue.
19. A little league field and a soccer/all-purpose field both at Sprout Brook Park opened in 2008.
20. Construction of a Cortlandt Dog ("Pooch") Park at Sprout Brook Park. Grand Opening took place on November 2, 2008.
21. A Computer Center at the Senior Citizen Center.
22. Renovation of the Town Hall Courtyard and entranceway (New lights, benches, bricks, doors, flowers, new steps etc.)
23. A playground at the Roller Hockey Rink off Memorial Drive in memory of Peter Cutignola.
24. An annual Cortlandt event – "Cortlandt Family Fun Day" (Off Route 9A by the State Police and Roller Hockey Rink).
25. Renovation of the swimming lanes at Cook Pool.
26. Annual Golf Outing to benefit our first responders at the Hollowbrook Golf Course each year.
27. A fully supervised youth and recreation multi-purpose facility opened in 2009 for ages 11 to 18.
28. Cortlandt sponsors the D.A.R.E. programs and the Cortlandt Coalition to educate our youth about substance abuse and awareness prevention.
29. Quadricentennial projects were completed in 2009 to honor Henry Hudson's discovery of the Hudson River including a time capsule at Town Hall.
30. Saved Furnace Dock Lake and the watershed area. It is now owned by the TOC for passive parkland.
31. At the former Martin Property now owned by the Town: a boat launch for the community, an aviation theme playground, benches by the Hudson River.
32. A Veteran's Park at Steamboat Dock dedicated July 20, 2012.
33. Completed a half-court basketball court in northern Cortlandt June 2012.
34. The public boat launch at Cortlandt Waterfront Park was dedicated in the spring of 2013.
35. Annual 5K Run in October.
36. Held our Town of Cortlandt 225th Anniversary Party at George's Island in 2013.
37. A Purple Heart Memorial dedicated at Cortlandt Town Hall.
38. Support of the Cortlandt Community Rowing Association (Visit their website for more information, <http://cortlandtrowing.com/>).
39. Started a free outdoor Concert and Movie Series at Cortlandt Waterfront Park in Verplanck.
40. Our Community Garden continues this summer at Meahagh Park.
41. Opened our Water Spray Park at Charles J. Cook Pool in 2016.
42. Dedicated a lacrosse field/all-purpose field at Sprout Park in 2016
43. Dedicated new hiking trails at golf course in 2016.
44. Will plan for more fields and walking paths at land purchased from Con Ed in June 2016.
45. Dedicated a Vietnam Memorial at Town Hall in June of 2017.
46. Planning for a new bath house, snack bar, and miniature golf at the Town Pool.

All have been completed without raising Town taxes (on average only 1% for 27 years). Many other projects are being considered and planned for the future. If you have any suggestions for recreation projects please write or e-mail my office at:

Town of Cortlandt Officials and Supervisor Linda D. Puglisi's Swearing-In Ceremony

“First of all I am truly humbled to once again have the trust and support from our Cortlandt community to continue serving as our Town Supervisor. It is an honor and a privilege to serve as Supervisor.

Cortlandt is such a wonderful community with 42,000 terrific and caring people. I always say the best part of being Supervisor is to meet and talk to our residents of all ages – be it at our Senior Citizen functions, to our many civic organizations and volunteers, to our youth at their events, activities, at schools or when they come in for tours of our lovely town hall. Also, I thoroughly enjoy working with our Veterans and with our very active Veteran’s Committee, chaired by Willy Nazario. I like to say “our veterans fought for us and now we must fight for them.” I am proud Cortlandt always fulfills that pledge. My late Father was a WWII Marine and told my sisters and I to do our best to honor our Veterans. I have always tried my best to live up to that request. My Father has been my inspiration in working with and helping our Veterans.

Cortlandt is a family oriented community and I am so very proud of my family who joined me at this ceremony: my daughter Allison (Ali) Tam and her husband Thomas Tam. They are both attorneys and Ali is a partner in her New York City firm; my grandsons Oliver and Jeremy – sons of Ali and Tom – I adore them very much, my son Jeffrey and his wife Oonagh. Jeff is a doctor in Connecticut and Oonagh has an important position in a large corporation and works in the philanthropy field. My sister Cindy is here today and works in the area at Boces. She is also my good friend. My children always tell me growing up in Cortlandt was a wonderful experience that offered them many opportunities which have helped them throughout their lives.

I also want to thank all of our emergency service providers. They take care of us and protect our families. I thank all of our volunteers in our community at every level and in every group. My gratitude to our town employees - each one of them has an important role in our government – I call it a large family and I told them recently at a holiday event that it wasn’t just me and the others that were elected in November, but all of them, as well!

We are one town, united with one goal, to always improve the quality of life for our wonderful community. Together we will meet every challenge.

Cortlandt is not just a place, it is Home! Thank you all!”

Linda Puglisi
Supervisor Town of Cortlandt

Military Order of the Purple Heart Memorial dedicated on October 30, 2015 located in front of the Cortlandt Town Hall, 1 Heady Street, Cortlandt Manor, NY

Vietnam Memorial at Cortlandt Town Hall

The Town of Cortlandt constructed and dedicated a Vietnam Memorial on the front lawn at Town Hall. The Town of Cortlandt honored the men and women Vietnam Veterans for the 50th anniversary of the Vietnam War. This memorial will be a living tribute to those who defended our Country and to those who sacrificed their lives for our freedoms in America.

We also have a glorious Veteran's Memorial at our Cortlandt Waterfront Park by the Hudson River in our hamlet of Verplanck.

Our Cortlandt Regional Veteran's Committee meets monthly at our Community Center off Westbrook Drive and our chairman, Willy Nazario (a Purple Heart Vietnam Veteran) and his fellow Veterans represent the pride in Country that is reflected in all of our Veterans throughout the years.

It has been my privilege and honor working with Veterans over the years, building memorials to honor them and to host our Veteran's committee and ceremonies.

Thank you,
Supervisor Linda Puglisi

Closure of Indian Point Announcement *One Year Later*

Indian Point's Closure Announced by
Governor Andrew Cuomo and
the Entergy CEO on January 9, 2017
ONE YEAR LATER REPORT
January 9, 2018

By: Town of Cortlandt Supervisor Linda D. Puglisi with comments from
Village of Buchanan Mayor, Theresa Knickerbocker
Superintendent of Hendrick Hudson School District, Joseph Hochreiter

One year ago today an announcement was made at two press conferences to close the two active nuclear energy plants at Indian Point located in the Village of Buchanan and in the Town of Cortlandt in the years 2020 and 2021.

"It's been a year of many meetings, asking many questions and trying to get our head around the challenges we face and how best to mitigate the loss of revenue and jobs for our community." ~ Mayor Theresa Knickerbocker, Village of Buchanan

"While the news of Indian Point's closure shocked and surprised our community, I remain optimistic and hopeful that our collective advocacy efforts, by working with local state and federal officials, will ensure that our world class educational opportunities for the children of Hendrick Hudson remain intact for generations to come."

"Our community has rallied together and has shown a resilience to work collaboratively, a willingness to be informed and educated, and commitment to work together as we confront the revenue gap Indian Point's closure will create. One year later, our focus will be to ensure governmental financial assistance, and that property taxes will not be the sole source to close the projected financial gap. We will also focus on working with area businesses and economic development associations in an attempt to re-imagine and redevelop the Indian Point property so we can create new and innovative business opportunities in our region on the plant's site." ~ Superintendent Joseph Hochreiter, Hendrick Hudson School District.

I attended the Entergy's CEO press conference that morning that took place in Tarrytown, not in our Village or Town. None of us in the local area were given any prior notice of this announcement which in my opinion was unfair.

Along with my partners, Village of Buchanan Mayor, Theresa Knickerbocker and Hendrick Hudson's School Superintendent, Joseph Hochreiter formed a local Community Unity Task Force that has met at least once a month at Cortlandt Town Hall. The members include representatives from affected entities that will lose annual revenue once the plants close: Town of Cortlandt, Village of Buchanan, Hendrick Hudson School District, Westchester County, Verplanck Fire District and the Hendrick Hudson Free Library. Local realtors, the Chamber of Commerce, Labor Union/Trades representatives, a local citizen's organization – Power through Cortlandt, and other interested residents, other elected officials or their representatives (at other levels of government) and staff advisors from the town, Village and School District are members of this active task force.

In total all of the entities receive annually \$32 million dollars:
They will all lose this revenue with the closure of Indian Point.

Town of Cortlandt	2%	\$ 800,000.
Village of Buchanan	46%	\$ 4 million
Hendrick Hudson School District	33%	\$ 24 million
Westchester County	1%	\$ 4 million
Verplanck Fire District	64%	\$ 372,703
Hendrick Hudson Free Library	28%	\$ 394,110

Closure of Indian Point Announcement

One Year Later Continued...

The other challenges will be the loss of jobs: 1,100 permanent, many part-time workers and outside contractors, as well. On a given day there could be 2,000 workers at the 240 acres site and at the two active operating nuclear plants that supply most of the power to New York City and the area.

Where will that replacement energy come from is a main question we all have been asking over the year. Also, the decommissioning of the plants could take up to sixty (60) years according to the NRC and therefore the re-use of this site is in question. This is an important point to make because our community needs to find other economic/ commercial/ industrial businesses to help us offset the loss of revenue and jobs.

The Town of Cortlandt Town Board and I are hiring and paying for an outside economic development consultant to assist us with this endeavor. I believe the State and/or Entergy should pay for this consultant (\$75,000.) since they announced the closure of the plants.

I immediately with my colleagues requested that the Governor establish a Blue Ribbon Commission or at least a State task force to work with us on these very serious issues and concerns. They did in the Spring of 2017 and I along with the Mayor and Superintendent are members of this task force. The State also has retained a consultant to specifically address the reuse of the 240 acres in the near/far future. That report will be completed in April of 2018.

It has been a year of intense research including speaking to other communities that have gone through closures of nuclear plants (i.e. in Illinois, Vermont and Massachusetts). We have had many speakers address our local task force including Entergy, the NRC, other applicable agencies and public officials at every level of government. Mayor Knickerbocker traveled to Vermont to speak to officials and residents going through a closure of a nuclear plant.

We attended many other forums, have given talks to various groups, testified in Albany to state committees and written monthly reports/updates for our community, which have been posted on our town website/Facebook. The Village and School District do the same.

In the year 2011, when Governor Cuomo first took office I requested in writing a meeting with him and that a task force or a Commission be established to start planning for the eventual closure of Indian Point, since he was stating even then that it was his intention to have the plants closed. For whatever reason, that meeting never took place and still hasn't taken place. However, many of the states' departments are working with us on the State Task Force, which we all appreciate. We are looking forward to the reuse report in April.

We also have the support of other elected officials including Congresswoman Nita Lowey, Assemblywoman Sandy Galef, State Senator Terence Murphy and our two County Legislators, Catherine Borgia and John Testa.

The real problem is that there is no source of funding at the state or federal levels to offset our loss of revenue that begins in 2020/2021 - \$32 million in total and the loss of many good jobs.

The Town Board and I have agreed to set aside \$100,000 each year in a special fund to address our loss of revenue in our budget from these plants closing (\$800,000 each year is what we have received). I thank my partners and our task force and always our town board members for their efforts on this challenge. We will continue to work very hard for our community.

ELECTRIC VEHICLE (EV) OUTLET STATION

The ribbon cutting Ceremony was held on July 2, 2014 in the Cortlandt Town Hall parking lot.

“We are all very excited about providing this station in Cortlandt to encourage the purchase of electric powered cars/vehicles with the purpose of reducing usage of gasoline and diesel power for vehicles.

NYPA, the New York Power Authority provided the grant for this station and constructed it for us after the Town of Cortlandt had applied for this project to NYPA.

Electric vehicles operate on electric batteries and need to periodically recharged. Residents in our community will now be able to recharge their electric cars/vehicles at Town Hall for a fee to cover the cost of the electricity. EV’s require less maintenance than gasoline-powered vehicles.

We are very proud to be one of the first towns in the region to have an electric vehicle outlet station.”

and Town Board

Purchase of 100 acres on the Hudson River by the Town of Cortlandt

On June 30, 2016, The Town of Cortlandt purchased the 100 acres from Consolidated Edison, Inc. for \$2.75 million dollars.

Public Hearings had been held by the Town Board, public notice given and the Town Board and I unanimously voted over a year ago to buy this property in the hamlet of Verplanck, Town of Cortlandt.

This large tract of land is adjacent to the Hudson River and already is the location of a sports field and a small beach area. It also has a waterbody (a naturally filled in old quarry) and will be a special addition to the Town’s inventory of land for public use.

There are many ideas that the Town Board and I are considering for future use including:

- Additional sports fields
- A walking/jogging/bicycle trail path
- A dog park/handball court
- Enhancing the beach area along the river
- Consolidating our DES operations headquarters to the northern corner of this property
- And suggestions are welcomed from the community.
- Plan for an aquatic park at the quarry

This is an exciting day for our Cortlandt residents. We are now adding to our properties we own along the Hudson River for public use. (Steamboat Dock, Cortlandt Waterfront Park, Boat docks for small watercraft and one for the Cortlandt Community Rowing Association (crew), our Veteran’s Memorial and the flags and historical panels at the Overlook, as well as a lovely nature preserve).

This purchase ends the “Stop the Buzz” project that was proposed by a private company for a 50ft high electric converter with a 24/7 loud buzzing sound.

A Special thank you goes to our many volunteer task force members and to our town attorney, Thomas Wood, who helped us achieve this goal.

TOWN OF CORTLANDT

ADOPT-AN-ISLAND PROGRAM & APPLICATION

The Town of Cortlandt Adopt-an-Island Program offers companies, civic groups, institutions and individuals the opportunity to adopt a traffic island or other neighborhood space and help us beautify the Town of Cortlandt.

Guidelines and Program Specifications

- Identify a traffic island or roadside area that you wish to enhance and contact Fred Pardee at fredp@townofcortlandt.com 914-737-0047 in our DES/ Parks Division.
- You or your group will be responsible for purchasing all items, including plants, mulch, etc., planting/ installing, and maintaining your island (including weeding, trimming, garbage removal and watering) throughout the season.
- All material must be natural and plants must be kept under 30" as to not interfere with traffic safety.
- A sign with your name will be provided by the Town of Cortlandt and will be placed on the island. Please give your information to our DES office by emailing fredp@townofcortlandt.com.
- Most of all, the Town asks that you stay safe while working on your island and always use common sense, especially in high traffic areas and always wear bright clothing for safety purposes. Your organization is solely responsible to follow all safety precautions and guidelines while working on your project.
- The Town has the right to remove any planting that is deemed necessary.
- The Town has the right to terminate the Adopt-an-Island Program at any time and in doing so will remove signage for the island.

SUSTAINABLE CORTLANDT OUR MISSION

To protect and enhance the quality of life of our residents and the unique environment of our area by establishing programs and policies which integrate sustainability into Town governance and planning, at the same time we want to encourage and enable Town residents and businesses to adopt sustainable practices.

To the Cortlandt Community

Sustainability is the promise to our children and grandchildren that they will inherit a tomorrow that is at least as good as today and hopefully better. Achieving this promise will call for the participation of each and every one of us. Our Town has a long standing record of environmental stewardship exemplified by our leadership in protecting open space, natural resources, and smart growth practices. Visit www.townofcortlandt.com Sustainable Cortlandt to learn more. The Town Board and I are fully committed to this important effort and we look forward to your participation in becoming a sustainable community.

Linda D. Puglisi, Town Supervisor

Remember to **RECYCLE** to save our **ENVIRONMENT!**

Thank you!

*This guide is printed on **RECYCLED PAPER**; As a result, approximately five (5) trees were preserved.*

To schedule and appointment and for more information about chemical clean up and H-MRF (Household Material Recovery Facility) contact Westchester County at 914-813-5425 or visit www.westchester.gov.

The Town has established regular pick up routes for organic yard waste. Yard waste will be picked up town wide on these dates. Yard waste must be placed in **Brown Biodegradable Bags** or loosely in garbage cans. Plastic bags cannot be composted. Organic waste in plastic bags will not be picked up. Please visit the website for further details www.townofcortlandt.com/sanitation

The Town of Cortlandt Town Hall will host a Permanent Medical Drop Box to offer our Town residents the opportunity to safely discard unwanted prescription drugs.

The box is located in the Purchasing Building on the Town of Cortlandt Town Hall Campus at 1 Heady Street Cortlandt Manor, NY 10567

The hours of operation will be

Monday– Friday

9:00 AM-3:30 PM

The drop box is monitored by the Westchester County State Police.

The Town of Cortlandt and its all-volunteer Conservation Advisory Council are deeply committed to the environment and to making sure that our Town and our residents are doing their part to reduce harm to our planet. For Earth Day 2018, the Town would like to draw attention to the impact that single-use plastic shopping bags have on our waterways, our wildlife and our own health. It is our hope that through these education efforts we can encourage more Cortlandt residents to carry reusable bags when they do their shopping, thereby reducing their use of single-use plastic bags!

5 TIPS FOR REDUCING PLASTIC BAG WASTE

Be part of shift away from the use-and-toss culture!

1. **Bring reusable bags each time you go shopping.** Each reusable bag can eliminate hundreds (if not thousands) of plastic bags. You can reduce the earth's landfills and prevent harm from being done to our precious wildlife by choosing reusable over paper or plastic.
2. **Keep reusable bags in your car** so they are available when you go shopping.
3. Reuse the plastic bags you have. Take them with you on future shopping trips, use them to pick up after your dog, or line your small trash cans with them.
4. **Don't automatically take a plastic bag.** Only buying small items that are easy to carry? Tell the cashier that you don't need or want a plastic bag.
5. **Encourage your friends, family, and community to do all of the above!**

AND DID YOU KNOW...?

Plastic bags don't biodegrade: they photodegrade. This means that sunlight breaks down the bags into smaller fragments which readily soak up toxins. They then contaminate soil, waterways, where the animals and marine life mistake them for food. Humans who consumer these animals and fish may also ingest these toxins.

Paper bags are not an eco-friendly alternative to plastic. According to the Environmental Protection Agency, paper manufacturing is a highly energy-intensive process. Converting hard wood into paper requires a resource heavy pulping process. The entire process from beginning to end requires large amounts of water, energy, and chemicals, and can emit toxic and hazardous chemicals in the air and water.

The Conservation Advisory Council was formed to ensure the preservation and improvement of the quality of the natural and man-made environment in the Town in the face of urbanization and the accompanying demands on natural resources. To learn more, you can visit us as at www.townofcortlandt.com

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day to Protect Our Water

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds, and rivers and can even affect the quality of our drinking water. Increases in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated MS4 community and has enacted Town ordinances governing stormwater. To learn more, visit our website at: www.townofcortlandt.com/stormwater

What can you do to help with Stormwater Issues?

Lawn Care

Most lawns tested in Westchester County do NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers, and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Recycling brochure on our website.

Septic System Maintenance

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. These septic systems should be pumped and inspected regularly, preferably every 2 years. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic field may damage them. Generally, septic tanks should be cleaned out every 2-4 years, depending on the size of the tank.

Scoop the Poop

Please pick up after your dog or cat. It doesn't matter the size of the animal— all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds and algae.

Landscaping Helps

Keep vegetation and organic material on the soil, especially on slopes. Build a buffer of vegetation by water-courses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help us give time for the pollution to be removed.

Care for your Car

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff. More information is available in the Town of Cortlandt Recycling brochure on our website.

Reporting Stormwater Polluters

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the Town of Cortlandt Stormwater Hotline at 914-203-0900.

Open Space in Cortlandt Increases

During this administration (1992-2018) open space land has increased and been preserved by 110% approx. (3370 additional acres)

“One of my goals in becoming Town Supervisor was to increase and preserve land for open space. Once the land is gone, its gone forever! We have worked very hard over the years to achieve our goal of acquiring and/or protecting open space as well as to balance this with rational regulated economic growth,” states Supervisor Puglisi.

There are other areas throughout our community that we are working on for open space and passive recreation purposes. Putting together partnerships with the Town, State, County, not-for-profit groups and the private sector is a major way of working together with a receptive property owner, to acquire open space. We also have appointed an open space committee to assist us with our goals.

Our largest accomplishment using this practice was the Hillpoint Property in Northern Cortlandt, now called the Hudson Highland Gateway Park-352 acres has been purchased and preserved forever! A committee has worked on passive recreation— a trail and walkway system so we can enjoy the natural beauty and environment of this land.

- Also, an additional 50 acres of open space was added to our open space inventory (Washington Trails Site), and 70 acres at the golf course area are deeded to the Town for open space and 50 acres from Valeria development was recently transferred to the Town.
- Also, an additional 150 from other sites were added to our inventory this year.
- We recently added 52 acres of land and a water body when purchased Furnace Dock Lake after the repair of the dam. The repair of the dam is paid for by Con Edison.
- The purchase of 100 acres along the Hudson River (Formerly owned by Con Edison)
- 100 acres from the Abbey Rose Owner.

We are very proud of our record and will continue to work on our future open space goals.

ENHANCED 911 SYSTEM - FOR EMERGENCY RESPONSE

Building enumeration is a vital component of the E911 System. Local Law No. 5-1988 mandated the posting of your home number for the use of emergency response personnel. Public education and awareness of the requirements of E911 is difficult without the assistance of the general public and our local media.

I am asking for your assistance in getting the word out. Please advise your neighbors of the need for house enumeration. We want to use all resources available to us to speed the delivery of emergency services to your homes and families. Thank you for your cooperation on this important issue. At all times we thank our first responders who protect our residents and our community.

ATTENTION HOME OWNERS

If your home is equipped with an alarm system it must be registered with the Town by obtaining an alarm permit with pertinent information relative to your home. (i.e., animals, contact persons, etc.) These permits are valid for long as you own your home. A new permit must be obtained when ownership changes. The permit information is distributed to the appropriate emergency services to enable them to respond to the alarm more efficiently. Applications can be by mail and can be obtained from the code enforcement office. Call 914-734-1010 for any further information or application.

AMANDA'S LAW:

CARBON MONOXIDE ALARM REQUIREMENTS GO INTO EFFECT FEBRUARY 22, 2010

As a result of recent legislation, Amandas Law went into effect on February 22, 2010. Amanda's Law was named in honor of Buffalo resident Amanda Hansen, a teenage girl who lost her life to carbon monoxide (CO) poisoning from a defective boiler when sleeping over a friend's house in January 2009.

It requires essentially all residences, both new and existing, to have carbon monoxide alarms installed. The specific requirements differ for new and existing residences and also on when the buildings were built and subcategories of occupancy groups.

YOU ARE NEEDED!!!

HOW TO REGISTER FOR RECREATION PROGRAMS

Registration for programs offered by the Cortlandt Recreation Department will soon be available via the Community Pass online registration system!

 **Online Registration will begin on Friday, April 13, 2018** 

We encourage all families that will be registering for programs to create their Community Pass Family accounts before registration officially opens. Once a Family Account has been created, you will have the ability to register and pay online for programs offered by the Recreation Dept.

To create a family account and register for programs, follow the instructions below or on the Community Pass site.

Once activated, you will also be ready to register yourself and your family members when an appropriate recreation program becomes available.

If you have any questions concerning account activation, registration or payments, please call or email:
reconline@townofcortlandt.com or call 914-734-1050

How to Create a Family Account:

1. Go to www.TownofCortlandt.com/reconline
2. From the Town of Cortlandt Community Pass login homepage click on the "Create an Account" tab.
2. On the next page complete the "Account Creation" fields and click on Create at the bottom of the page.
4. On the next page you will see the Community Pass Privacy Statement. After reading, click 'Accept.' Then click 'Finish.'
5. Please save your login and password for future use.

How to Register for Programs:

1. Go to www.TownofCortlandt.com/reconline to log back into the system.
2. Log in using the permanent username and password for your account.
3. Click the 'Click Here to Register' button.
4. Select the applicable Catalog by clicking the 'Continue' button next to your choice.
5. Verify email. Click 'Continue'.
6. Select the person registering, then 'Continue'.
7. Select the program (s) you wish to attend.
8. When finished with selections, click 'Continue'.
9. Complete payment information.

- Registration can also be dropped off at the Recreation office (Office Hours 8:30 AM to 4:00 PM) or mailed to:
Town of Cortlandt Recreation & Conservation
1 Heady Street

SUMMER CAMP INFORMATION

SUMMER DAY CAMP PARENTS INFORMATION NIGHT

Based on the attendance of the 2017 Parents Information Night we are offering a pre-camp opportunity to meet your child's Camp Director, and various Camp Staff. You will be able to hear first hand about the camp program and ask any questions that you have. Please join us!

Location: Cortlandt Town Hall, 1 Heady Street, Cortlandt Manor, NY 10567
Day/Date: Thursday, June 14
Time: 7:00 PM

CAMP TRANSPORTATION

IMPORTANT INFORMATION CONCERNING BUSING YOUR CHILD TO AND FROM TOC CAMPS.

Parents are reminded that Kindergartners, First thru Third graders may only be discharged to their parent/ adult caregivers or a responsible party that the town has on file with child's camp application or on the Bus Change Form in the back of this brochure.

FOR BUS PICKUP/DROPOFF- PARENTS/CAREGIVERS **MUST** BE AT STOP 15 MINUTES PRIOR TO TIME ON BUS SCHEDULE/15 MINUTES AFTER TIME ON BUS SCHEDULE. WE ARE UNABLE TO GIVE YOU THE EXACT TIME OF PICKUP/DROPOFF OF YOUR CHILD- THE TIME POSTED IS APPROXIMATE.

- On the camp application form we ask for your nearest cross street, we do not offer a door to door pickup or drop off point. If you have a need for a special pickup and or drop off at a spot other than what we would be assigning to you (Home Address and nearest cross street) you must fill out a Bus Change Form.
 - We need the name, telephone number (a number that gets answered at any time during the day in case of an emergency) and the address with a detailed explanation of the bus change and how many times this will be happening i.e. AM pickup and or PM drop off.
 - Due to overwhelming requests for different bus pickup and/ or drop off any SPECIAL BUS REQUESTS must be submitted on the Bus Change Form in the back of this brochure no later than JUNE 8TH.**
 - Please keep your requests to a minimum, bus requests changes puts much stress on you camper and the staff when a child takes a different bus in the morning then the one in the afternoon.
- The Recreation Office will be staffed from 6:30 AM and 5:00 PM from June 25 thru August 3 for transportation to our Day Camp Programs. Any transportation comments/ questions/ concerns, please call 914-734-1054 or 914-734-1050.

CODE RED SYSTEM for Day Camp, Day Play, 5th/6th, 7th/8th

The Department of Recreation & Conservation wants to be able to notify you in the event of a Day Camp busing Service problem. The Town would notify you in a phone call, by the emergency notification system, CODERED. We require that you provide us with contact phone numbers including home phone and cell phone. See Page 12 for more information about CODE RED.

YOUTH SOLARIS TENNIS

If you are just starting or want to develop your skills these classes will introduce the fundamental stroke patterns, basic rules and sportsmanship. Quickstart Tennis is a new format to help kids ten and under learn and play the game. To make it easier for them, we changed a few things. The court sizes. The racquet sizes. The balls. The scoring system. Even the net height. Now any child between ages five and ten can start playing tennis almost immediately-even if he or she has never picked up a racquet before. Loaner racquets are available. Non –marking Rubber soled shoes are required.

Van Cortlandville Historical Society

The Van Cortlandville Historical Society welcomes people who are interested in learning more about the history of our community and sharing it with others. The society was founded in 1921 and has been headquartered in the historic Little Red Schoolhouse, 297 Locust Avenue, Cortlandt Manor, since 1972. A primary goal is hands-on education of children about life in the mid-19th century through such activities as the Early School Days program and the annual Colonial Fair, led by history enthusiasts in period clothing. Other activities include reenactments of local military events from the Revolutionary War, erection of roadside markers at local historic sites, annual memorial services, upgrading of Van Cortlandville Memorial Park and rehabilitation of the Van Cortlandt family plot in Hillside Cemetery.

The society welcomes appropriate memorabilia and genealogical records from local residents. The society's regular meetings, at 2 PM at the Schoolhouse on the third Saturday of most months, feature a variety of presentations that extend far beyond the primary emphasis on early-day education and the rich Revolutionary War history of the community. Visitors and new members are always welcome. Booklets for a self-guided walking tour are available, along with other literature about local historic sites. Most activities are open to everyone at no charge. For more information, or to schedule a visit, please call the Schoolhouse at 914-736-7868, visit www.vancort.net or email society@vancort.net

Hudson Highlands Gateway Park

Sprout Brook Road (Main)

Doris Lee Drive

Cortlandt Manor, NY 10567

Threatened twice by dense residential development, was protected in 1998 when a coalition of more than 35 groups representing homeowners, the homeowners, the community, government agencies and several environmental organizations united to preserve this 352-acre site. The Coalition to Preserve the Hudson Highlands Gateway raised \$6 million to buy the parcel. In May 2000, the Scenic Hudson Land Trust, the Town of Cortlandt and Westchester County purchased the property.

A network of trails in the park exposes visitors to woodlands, streams, steep slopes, bedrock outcroppings and meadows, revealing much human and natural history and providing spectacular river views. This park is ecologically significant because it is home to several; noteworthy ecosystems. The site's upland wetlands are crucial for many frogs and salamanders to survive. Several different snake species use the prominent, east-facing cliffs of the park to warm themselves in the sun. Also the park's Westchester County location is in one of the country's three major bird migration corridors. Come spring, hundreds of thousands of birds fly over the park where they stop to rest and feed.

Since the property was acquired, the **Hudson Highlands Gateway Task Force**, a group of concerned citizens - has been working with The Scenic Hudson Land Trust, the Town of Cortlandt and New York-New Jersey Trail Conference on issues including park improvements, illegal ATV use and assessing the park's natural resources.

Hudson Highlands Gateway Park is an ideal destination for an afternoon or all-day outing. Recreational activities abound, including hiking, birding, cross-country skiing, fishing and snowshoeing. Located at the southern end of the fabled Hudson Highlands, the park once served as a Revolutionary War lookout and now is open for public enjoyment.

Directions

Two parking areas are available; one is temporarily shared with Sprout Brook Park, 0.3 miles from the intersection of Sprout Brook Road and Highland Avenue, just past and on the same side as the athletic. Cross road and enter park through the gap in guardrail. Universally accessible parking area is at the end of Doris Lee Drive (see map). Park on gravel in front of fence.

Operating Hours: Open year-round, from dawn to dusk.

Scenic Hudson

YOUR VALLEY, YOUR VOICE, YOUR FUTURE

We hope you enjoy visiting Hudson Highlands Gateway Park. This and other significant Hudson Valley landscapes are protected by the Scenic Hudson Land Trust with the support of the Lila Acheson and DeWitt Wallace Fund for the Hudson Highlands, created by the founders of Readers Digest Association, Inc. Scenic Hudson also gratefully acknowledges those who helped make this park a reality; Town of Cortlandt, Westchester County, New York-New Jersey Trail Conference, New York State and many dedicated individuals who donated their time, energy and financial support.

Scenic Hudson works to protect and restore the Hudson River and its majestic landscape as an irreplaceable national treasure and a vital resource for residents and visitors. A crusader for the valley since 1963, today they are the largest environmental group focused on the Hudson River Valley. Our team of experts combines land acquisition, support for agriculture, citizen-based advocacy and sophisticated planning tools to create environmentally healthy communities, champion smart economic growth, open up riverfronts to the public and preserve the valley's inspiring beauty and natural resources.

Park Rules & Regulations

Please remember, you are not only a visitor but also a steward of the land. For a safe and enjoyable experience please observe the rules:

- The park is open dawn to dusk.
- Vehicles are permitted only in the designated parking areas.
- Stay within the posted property boundaries, and be considerate of other visitors and adjoining property owners.
- Keep pets leashed; please clean up after them.
- Do not remove or destroy plants, wildlife or artifacts.
- Always hike with a friend.

The following are prohibited:

Motorized vehicles, camping, fires, alcohol, firearms, feeding wildlife, smoking, dumping, swimming, metal detectors, mountain bikes and radios.

The preserve offers:

Hiking, birding, fishing in Annisville Creek, snowshoeing, cross-country skiing and waterfowl observation.

Caution:

Deer ticks, which can transmit Lyme disease, are a growing problem. Take precautions and check for ticks after leaving.

Description of Trails

Hudson Highlands Gateway Park has four trails, totaling more than 4.9 miles that traverse the 352-acre site. There are many meandering, wooded roads where one could easily get lost. Please stay on marked trails. The degree of difficulty for the hiking trails ranges from easy to moderate. Trail users should wear sturdy shoes and beware of loose rocks, holes and slippery surfaces.

(Red Trail)

Annisville Creek Trail 1 mile approx. 1 hr.

This trail starts at Doris Lee Drive and is universally accessible to the Pond Overlook. It travels by Annisville Creek, which contains breeding trout populations. Fishing is allowed. A sensitive wetland area surrounds the creek.

(Blue Trail)

Upland Trail 2 miles

A steep ascent through a meadow and mixed woods forest brings visitors to a terrific view of the Hudson River. The remainder of the trail encompasses rolling terrain that passes by many historic stonewalls.

(Yellow Trail)

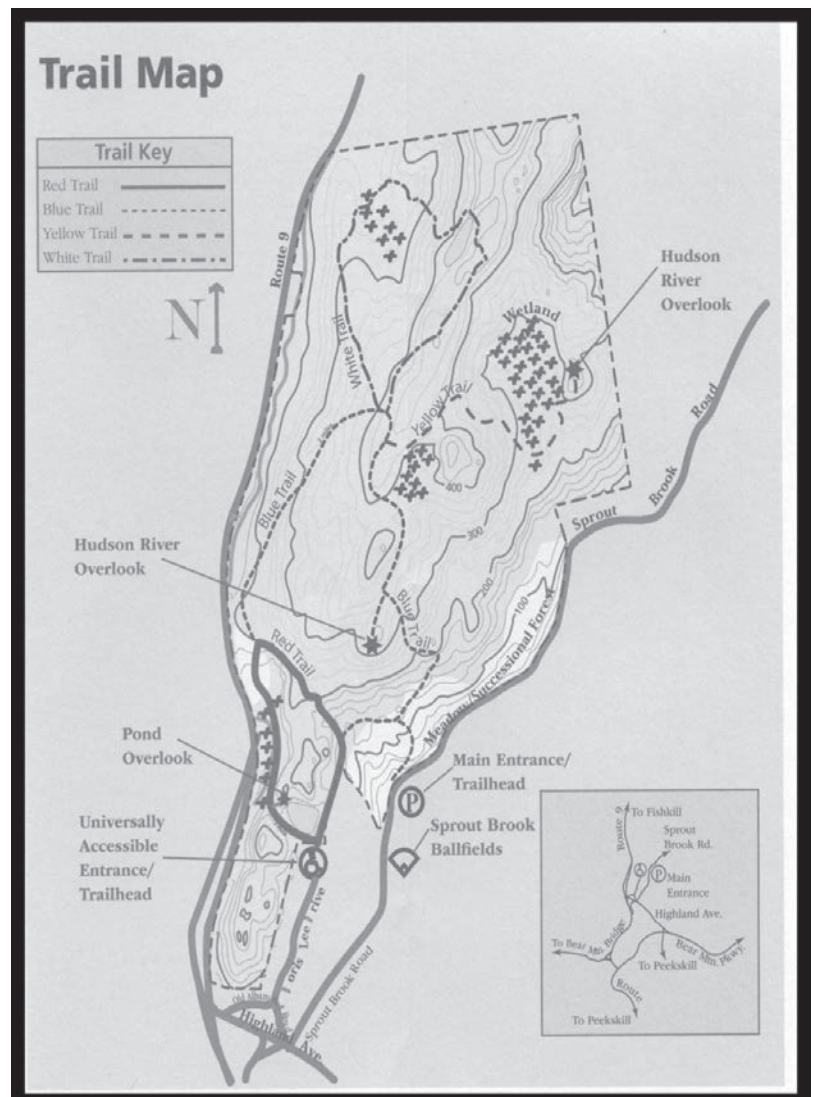

Hudson Overlook Spur 0.6 miles

Distinguished by its scenic overlook, this trail also crosses a small stream that is the outlet for a large wetland upslope.

(White Trail)

Vernal Pool Trail 1.6 miles

Beginning from the northernmost point of the Upland Trail, this trail works its way up and along a ridgeline. As it descends it passes by a large vernal pool, through a wetland and contains a number of steep slopes. Be cautious of wet surfaces. The trail finishes along an old woods road and rejoins the Upland Trail.

List any additional information that we would need concerning this bus change: _____

- **PLEASE READ VERY IMPORTANT INFORMATION ABOUT BUSING:** Please be at the bus stop 15 MINUTES PRIOR/ 15 MINUTES AFTER TIME LISTED on your bus stop sheet. (Morning pickup and afternoon drop-off). **WE ARE UNABLE TO GIVE YOU THE EXACT TIME OF PICKUP/DROPOFF OF YOUR CHILD - THE TIME POSTED IS APPROXIMATE.**
- In order to make our transportation go as smooth as possible, parents are reminded that Kindergartners, First (1) through Third (3) graders may only be discharged to their Parents/Adults, Caregivers or a Responsible party that the Town has on file with your child's camp application. These children will not be dropped off at a stop alone, they will remain on the bus the remainder of route until contact is made or taken back to the Town of Cortlandt Recreation Office, if we cannot get in touch with anyone. Please make sure that you have given us working telephone numbers **that will be answered.** In the event that this happens, we will need to get in touch with someone ASAP to arrange for Drop off. Thus this is **IMPERATIVE** that you be at the stop on time.
- **The Recreation office will be staffed from 6:30 AM until 5:00 PM. Any transportation questions or issues please call 914-734-1054 or 914-734-1050.**
